Together We

formed friendships

There is a special feeling between friends. The chance of being close to one another. We have shared this nearness and have locked these moments away to be held forever in memory.

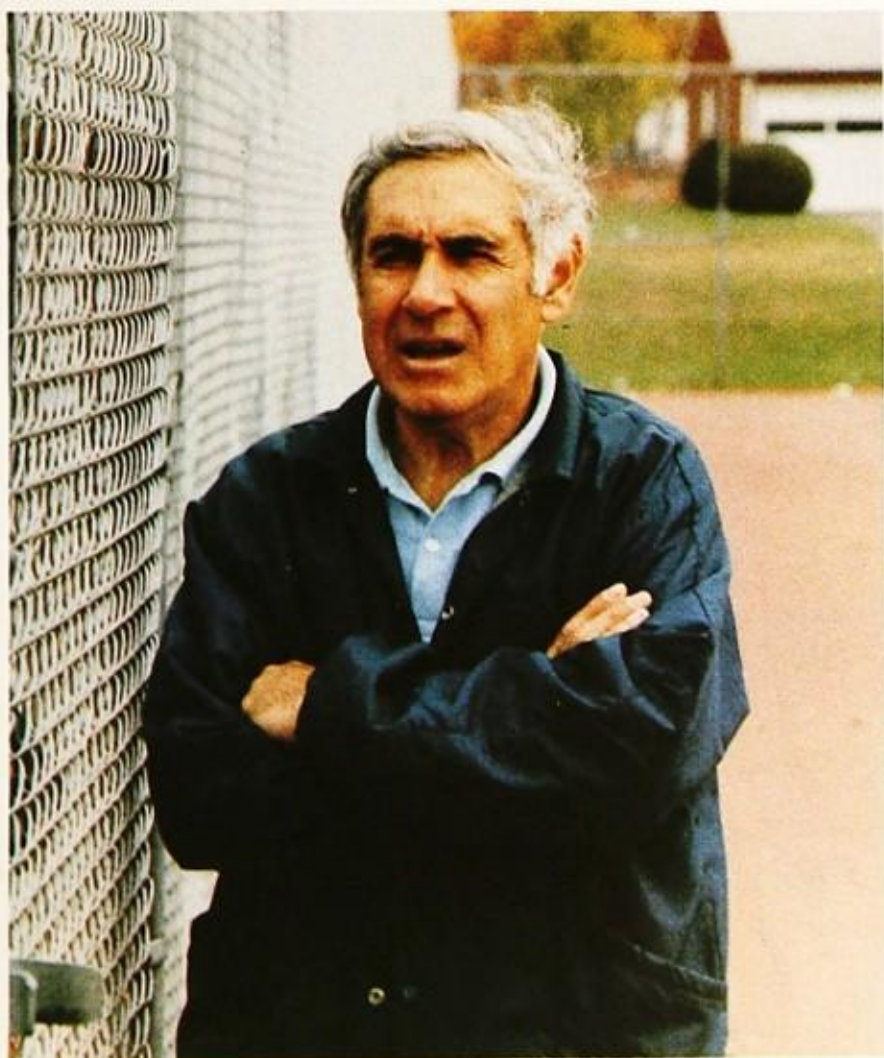

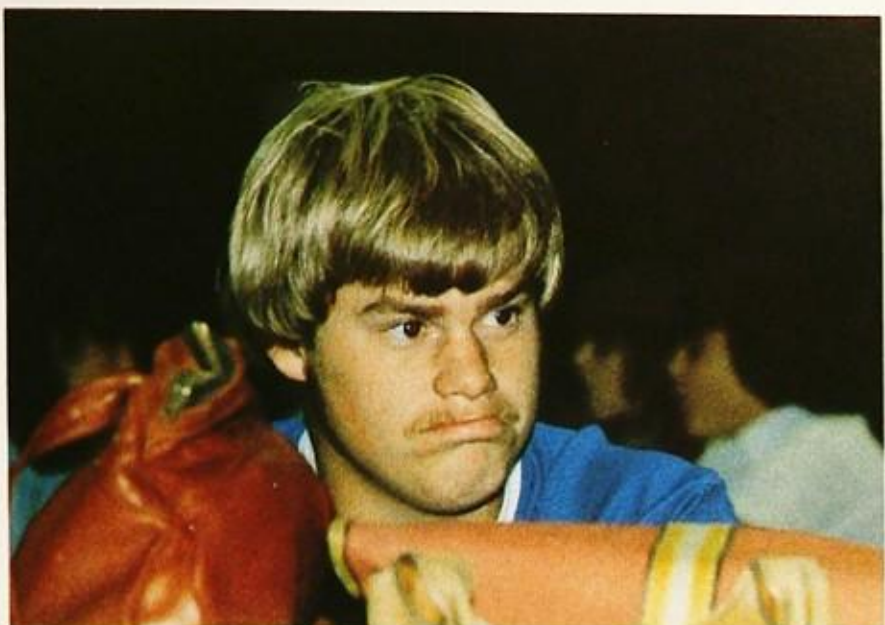

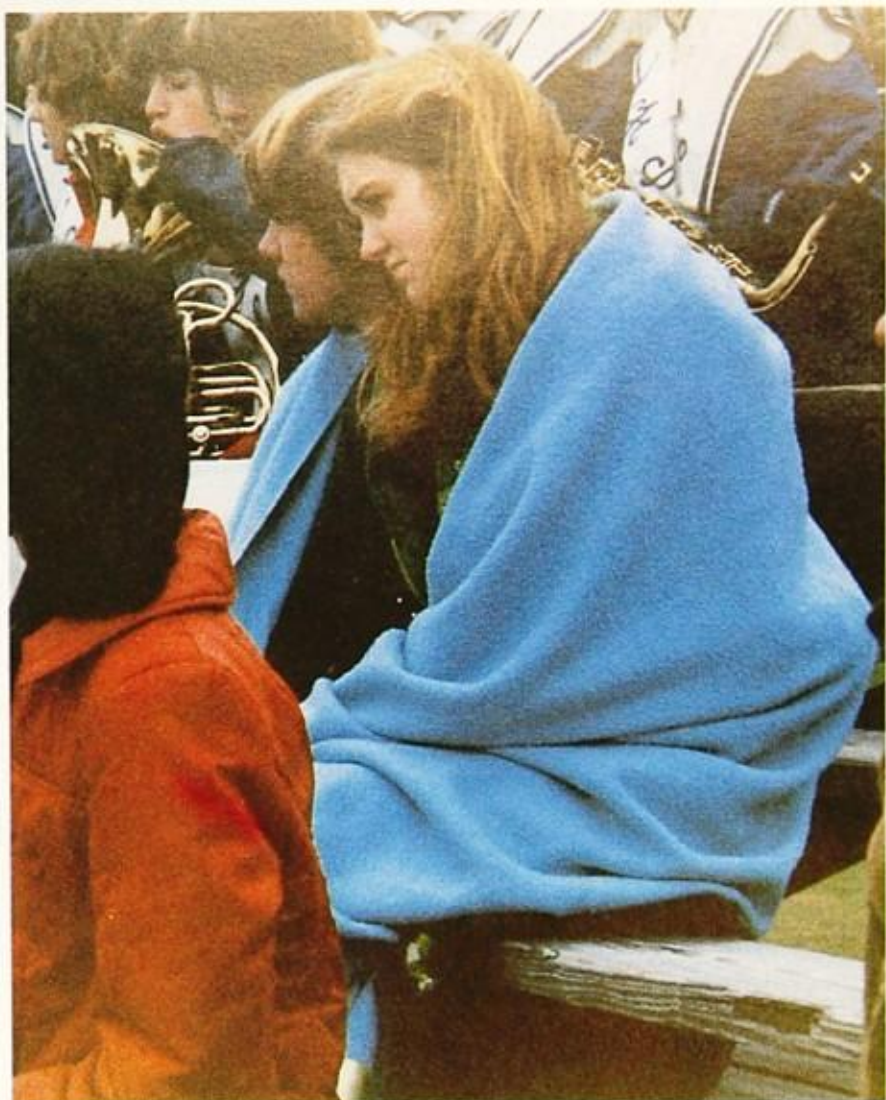

shared smiles

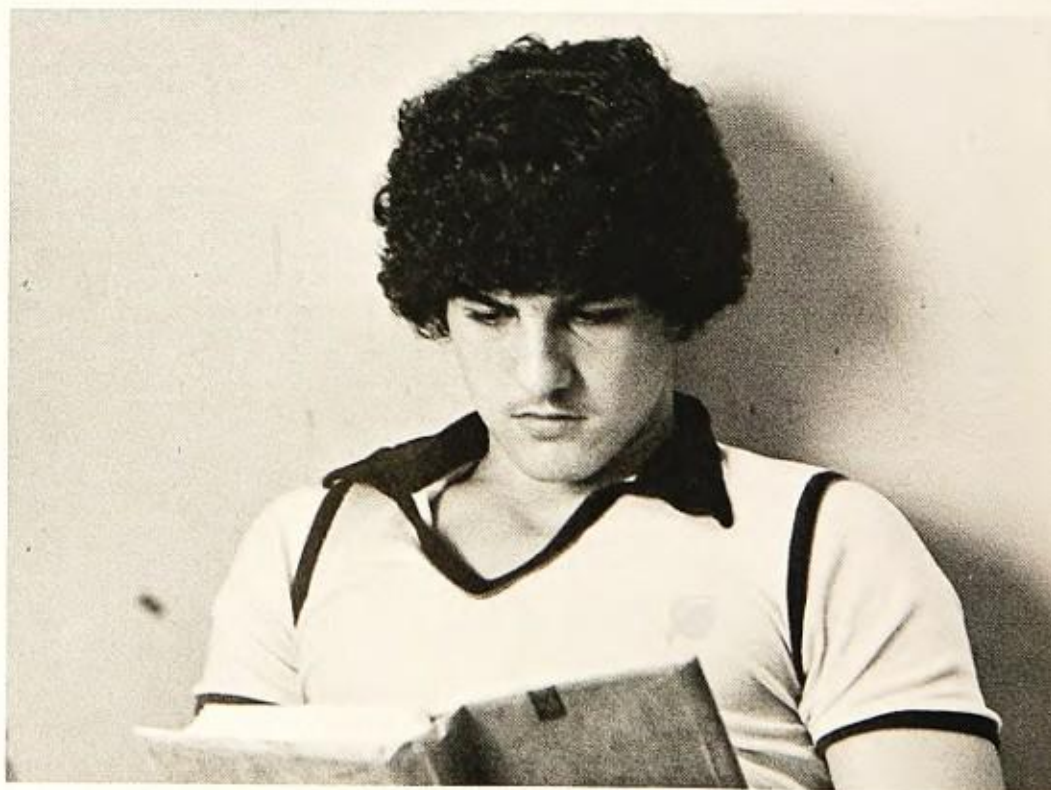

We have faced the hours of defeat, the moments of sadness. Though the tear has fallen the smile has broken and the music of laughter has sounded.

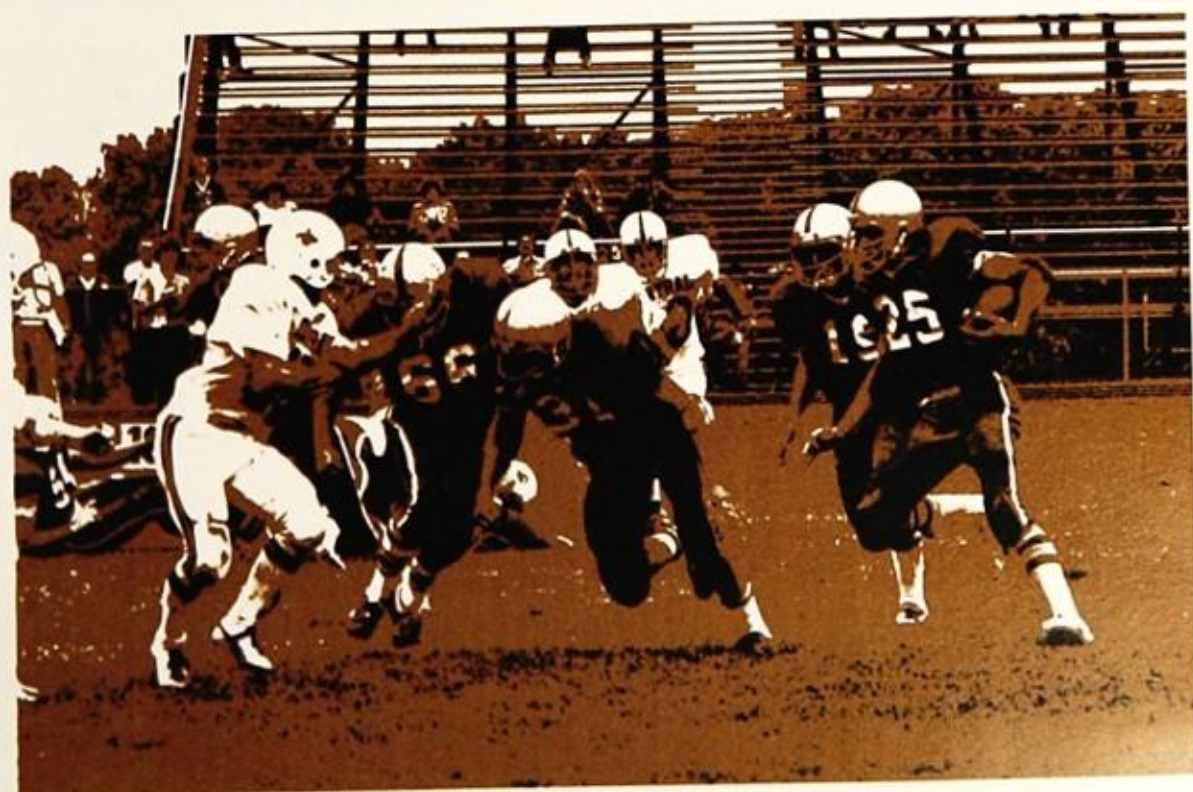

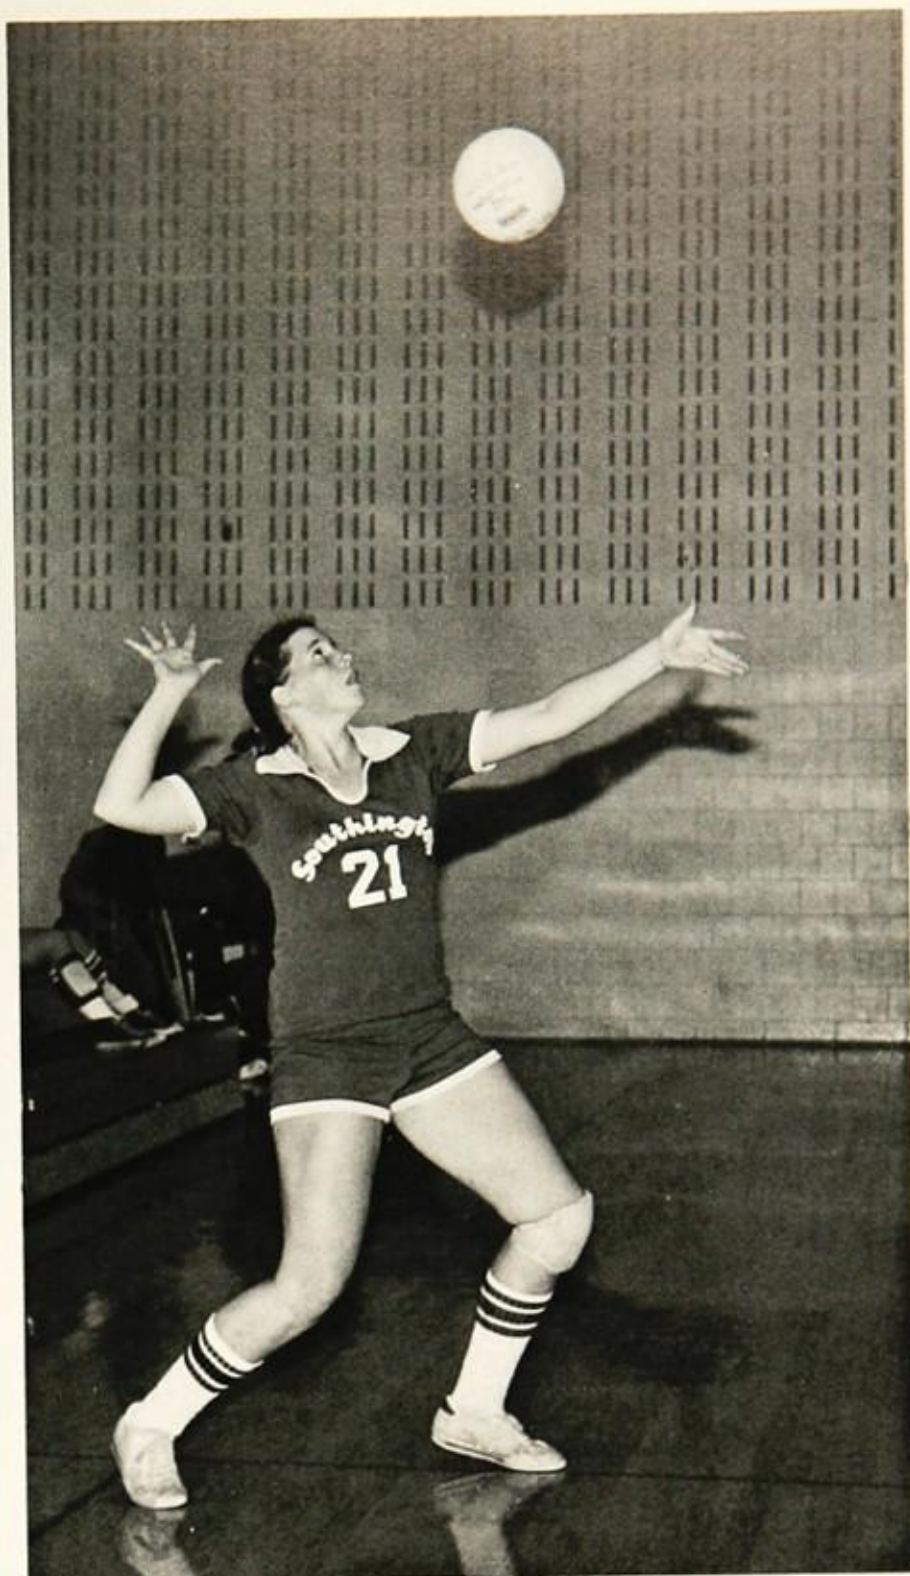

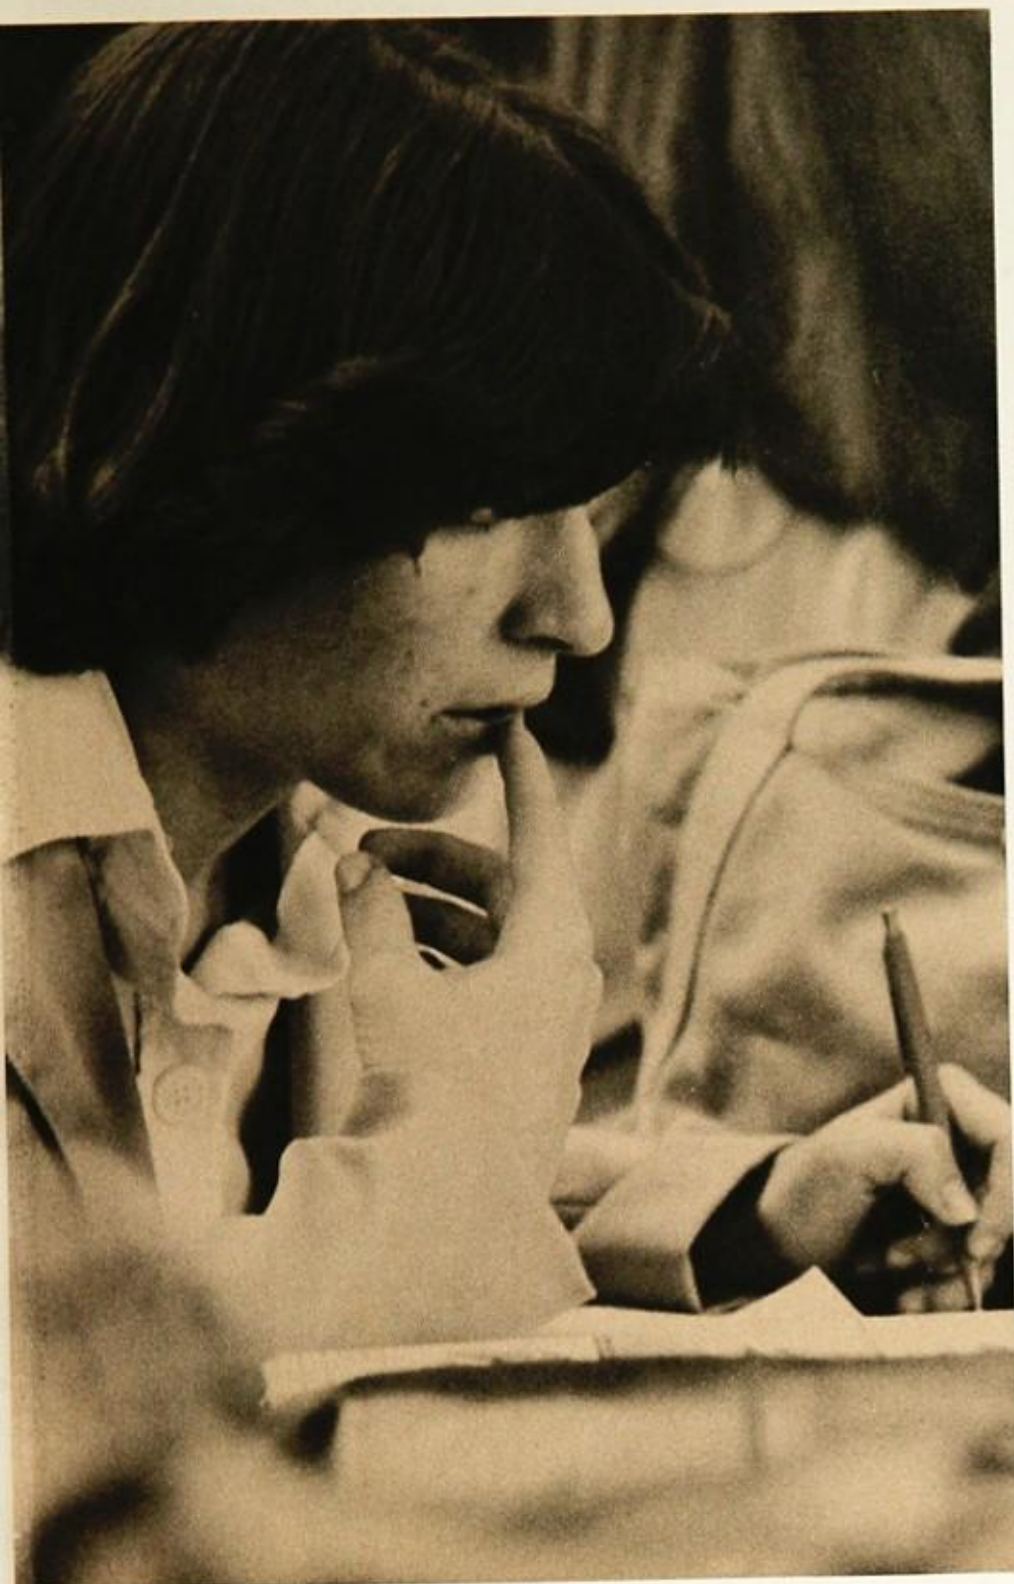

shed tears

gained knowledge

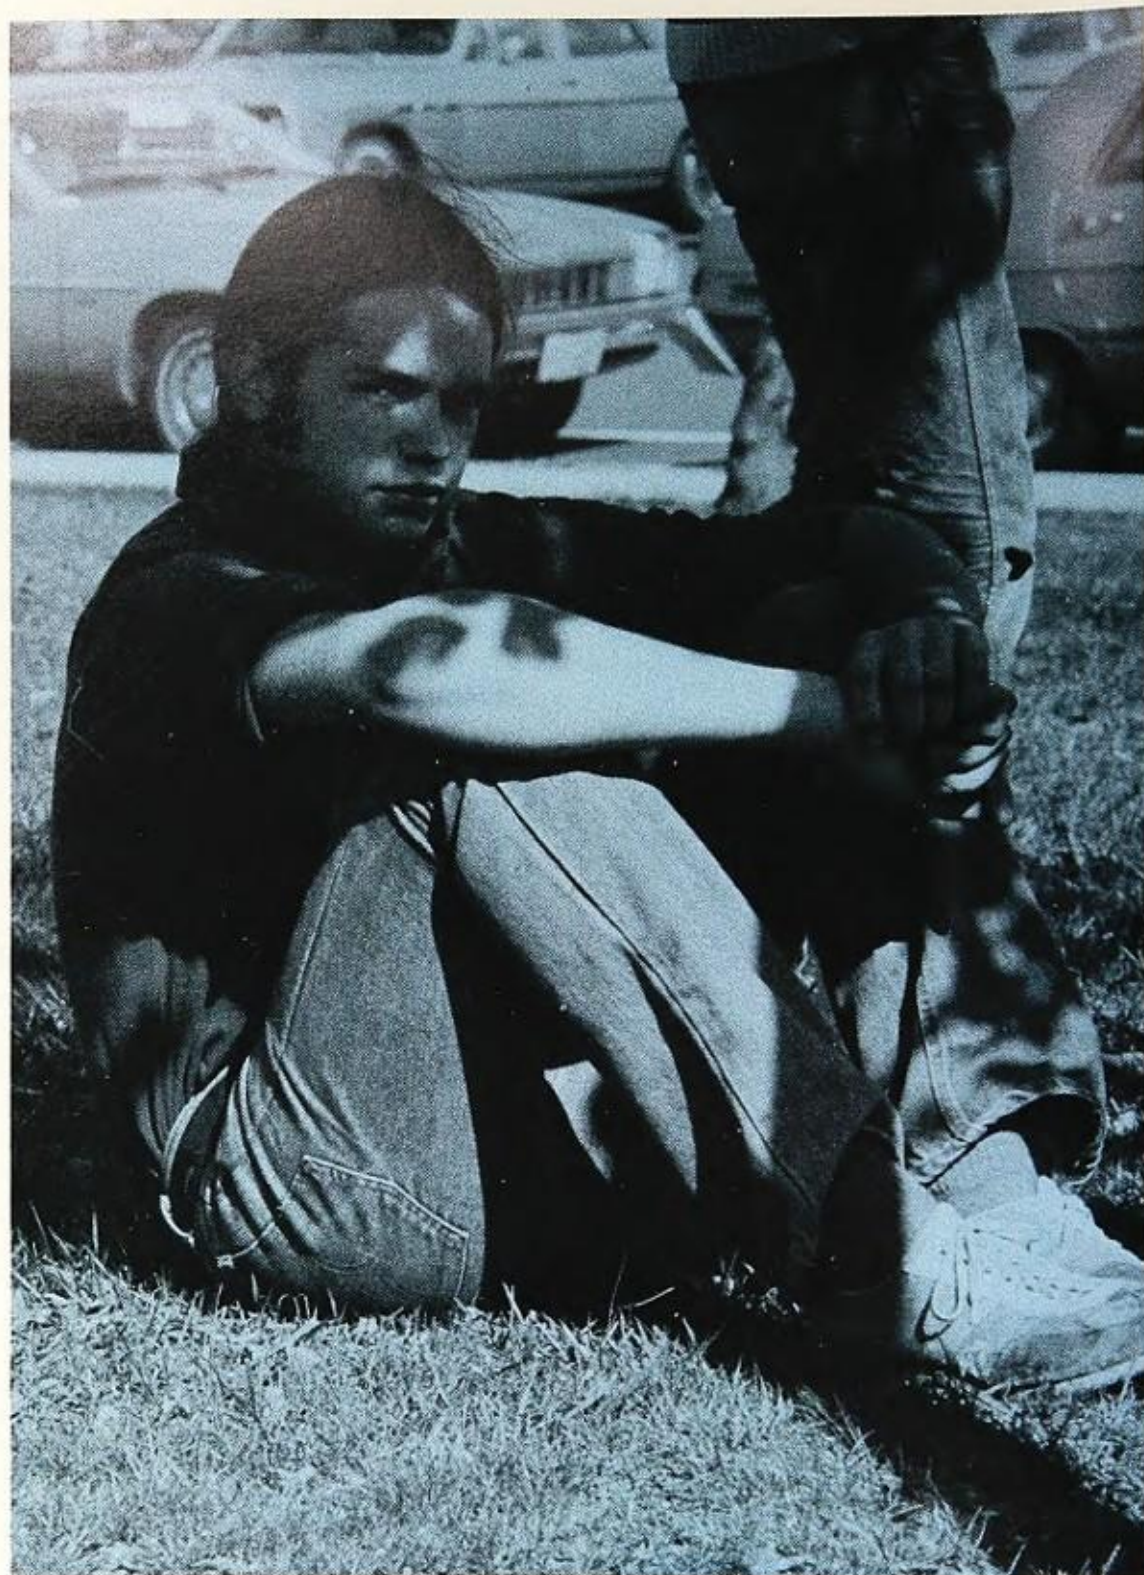

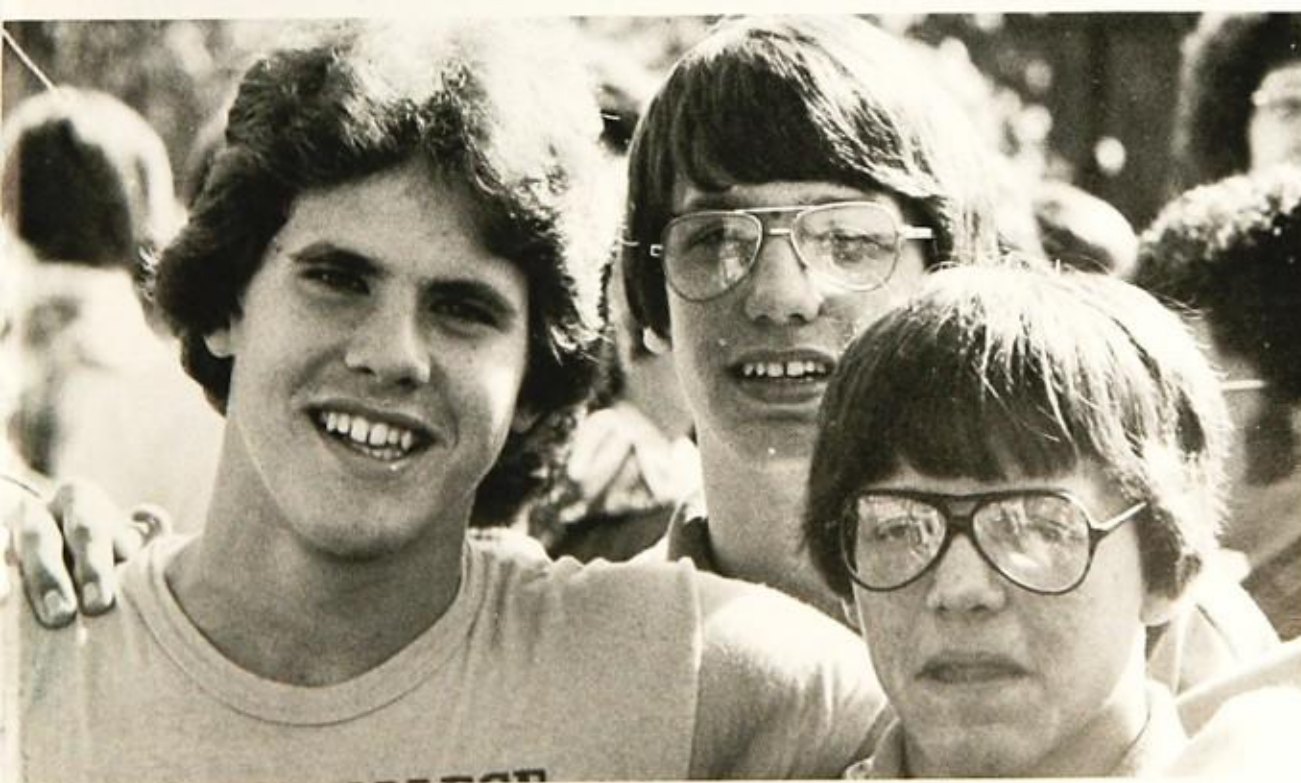

The time spent in classes was well worth our efforts for we have grown and matured. We are prepared, for our minds have been opened to the beauty around us.

struggled against challenges

encountered loneliness

discovered unity

We could take time, solemn and quiet moments, because we knew we could turn around and someone would be there.

SENIORS SENIORS

It seems there were always problems and frustrations that blocked our paths. But these obstacles could not defeat us as we were determined to achieve our goals.

strove for success

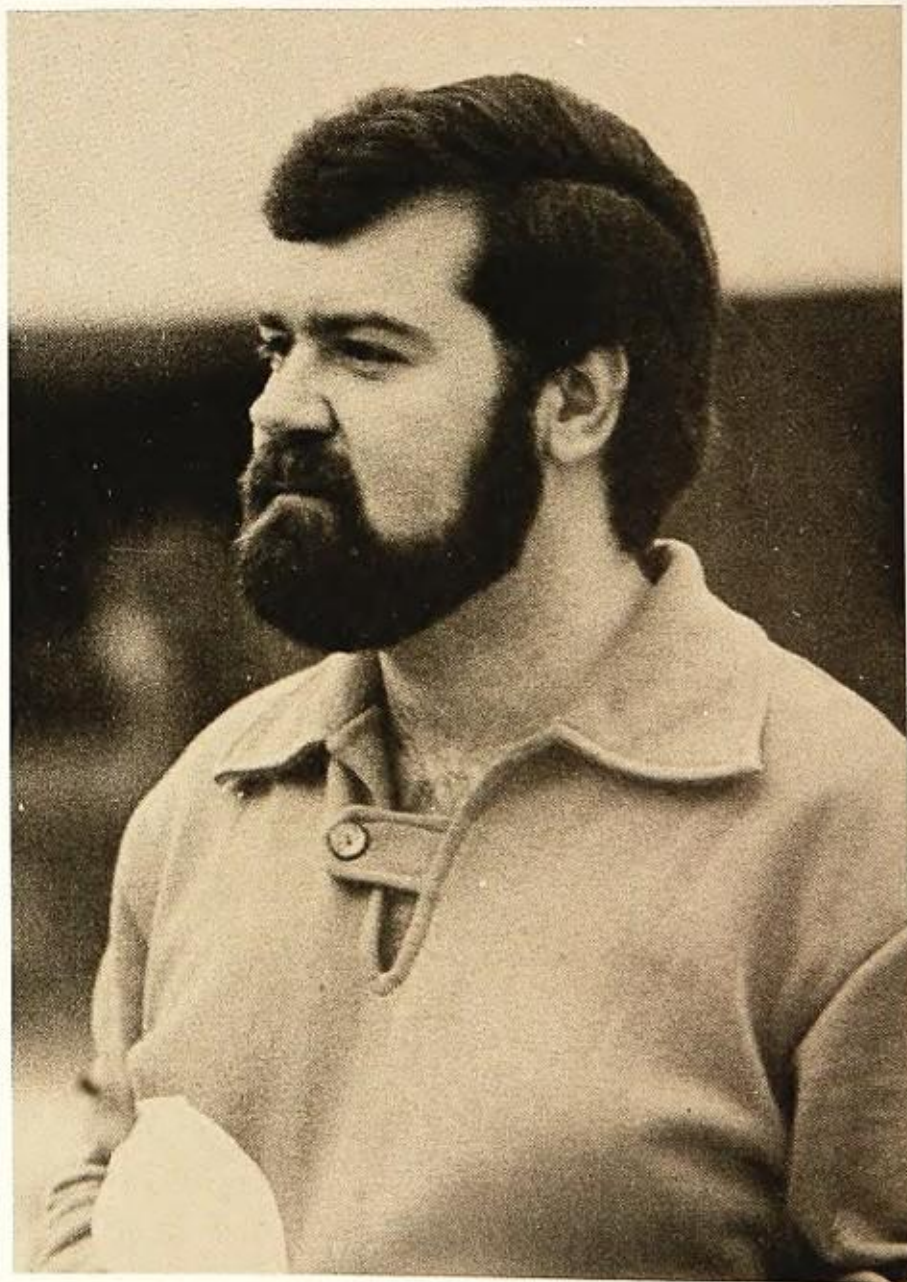

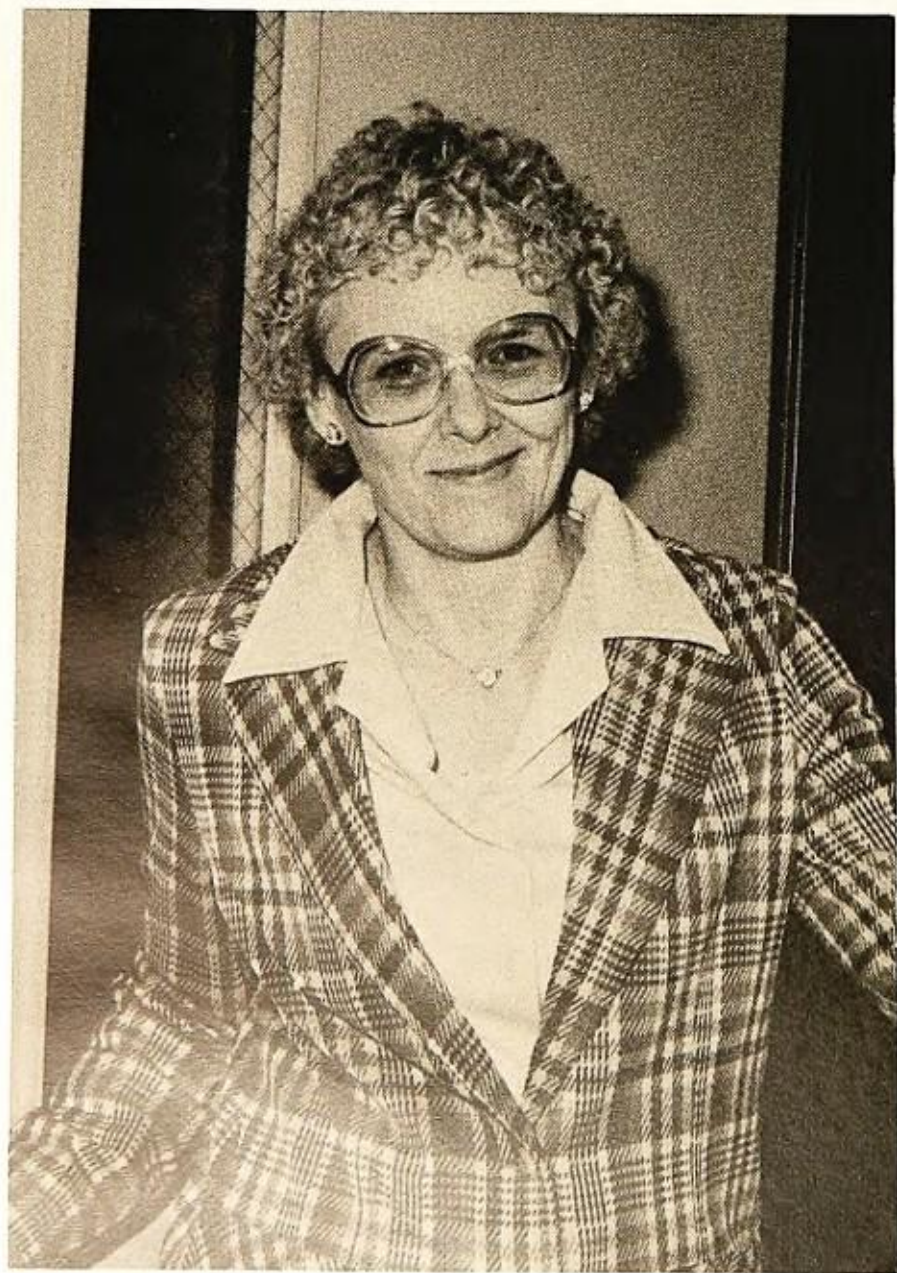

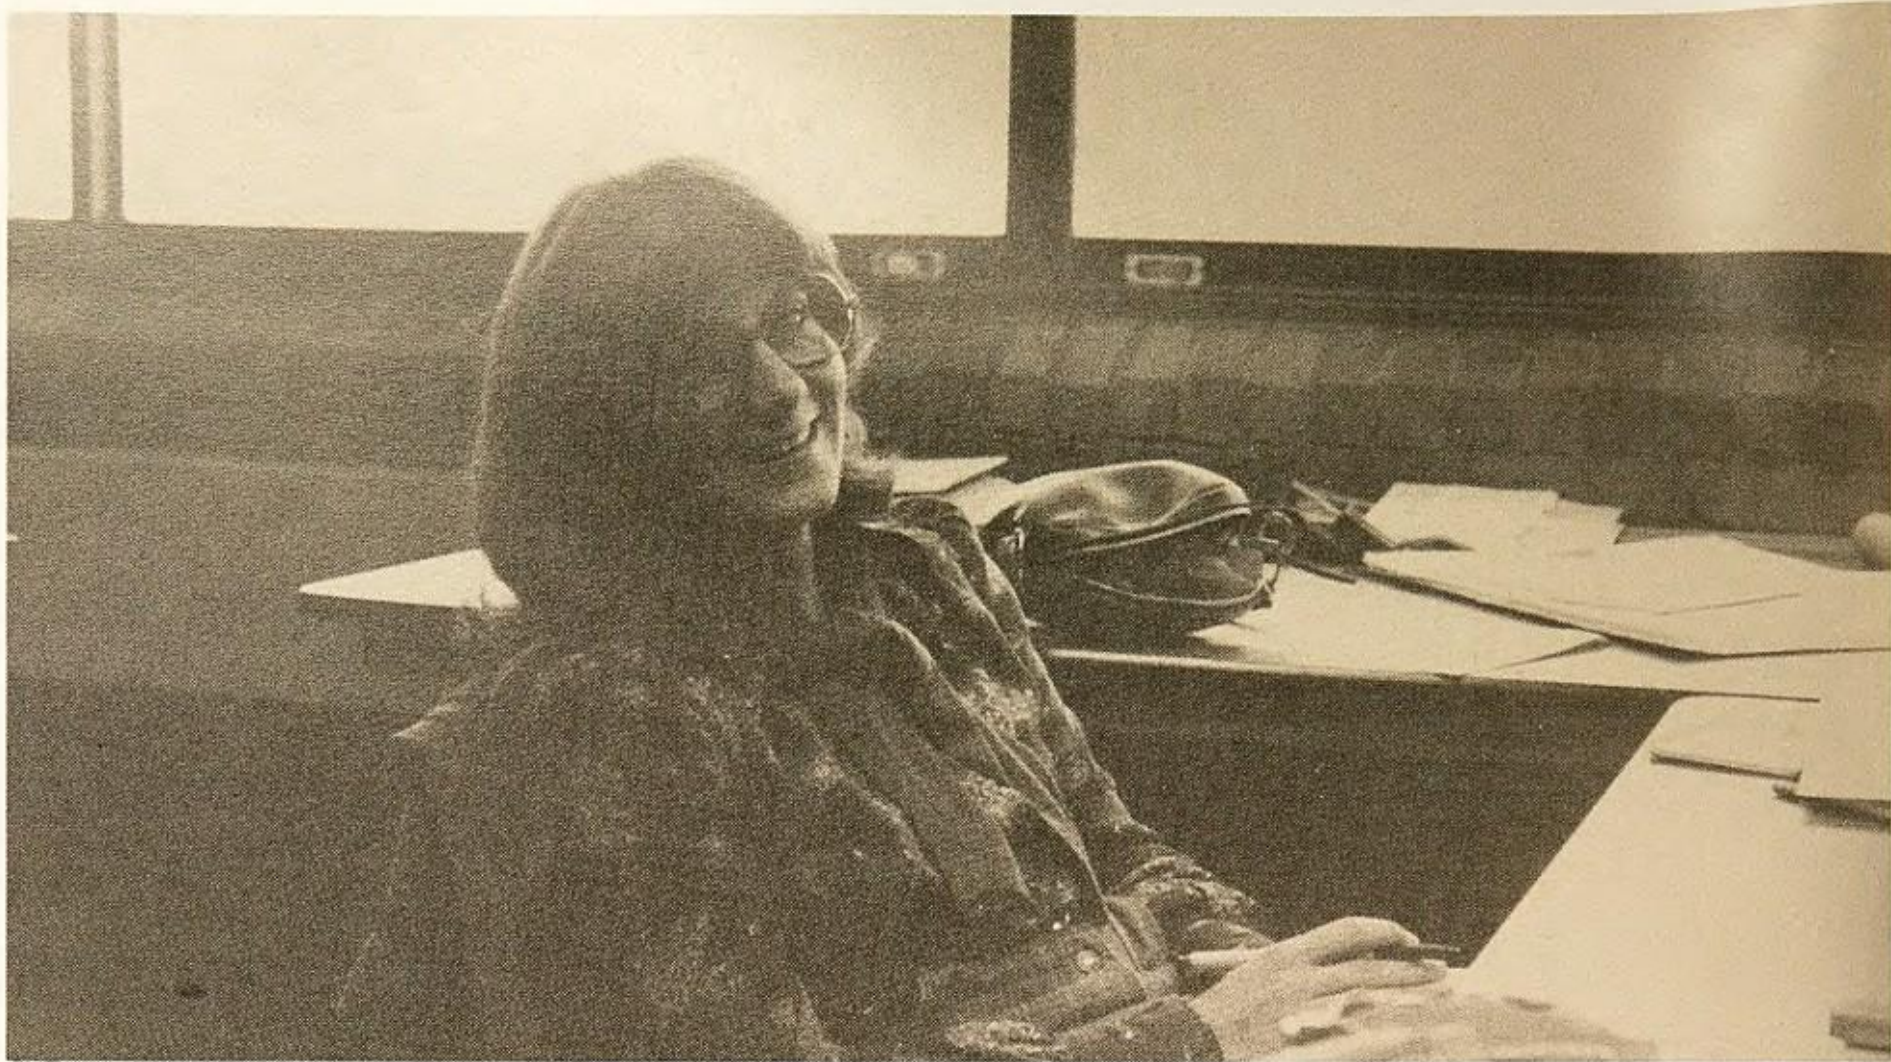

built hopes

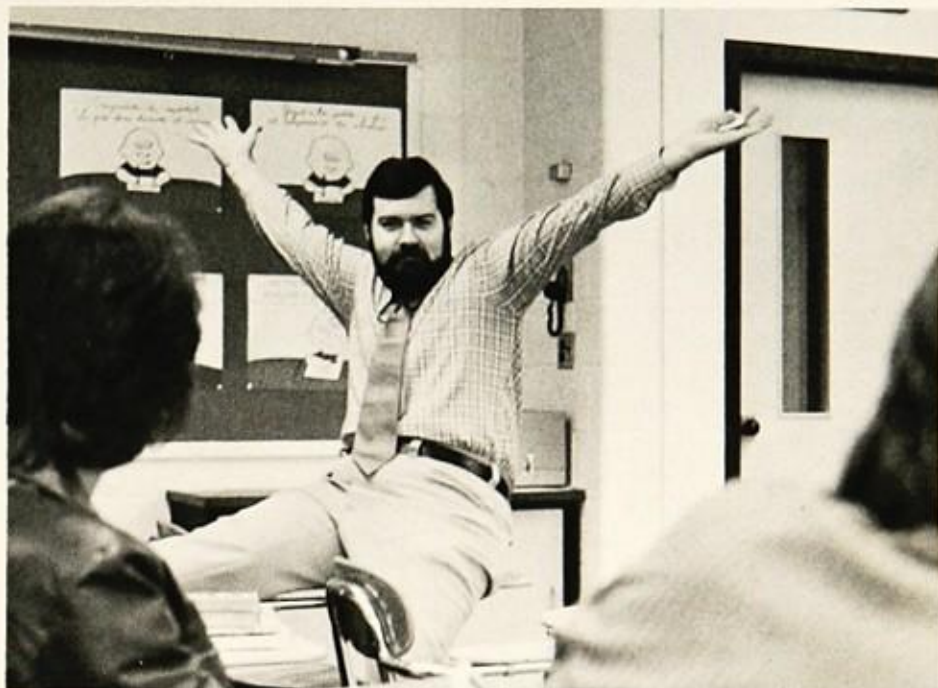

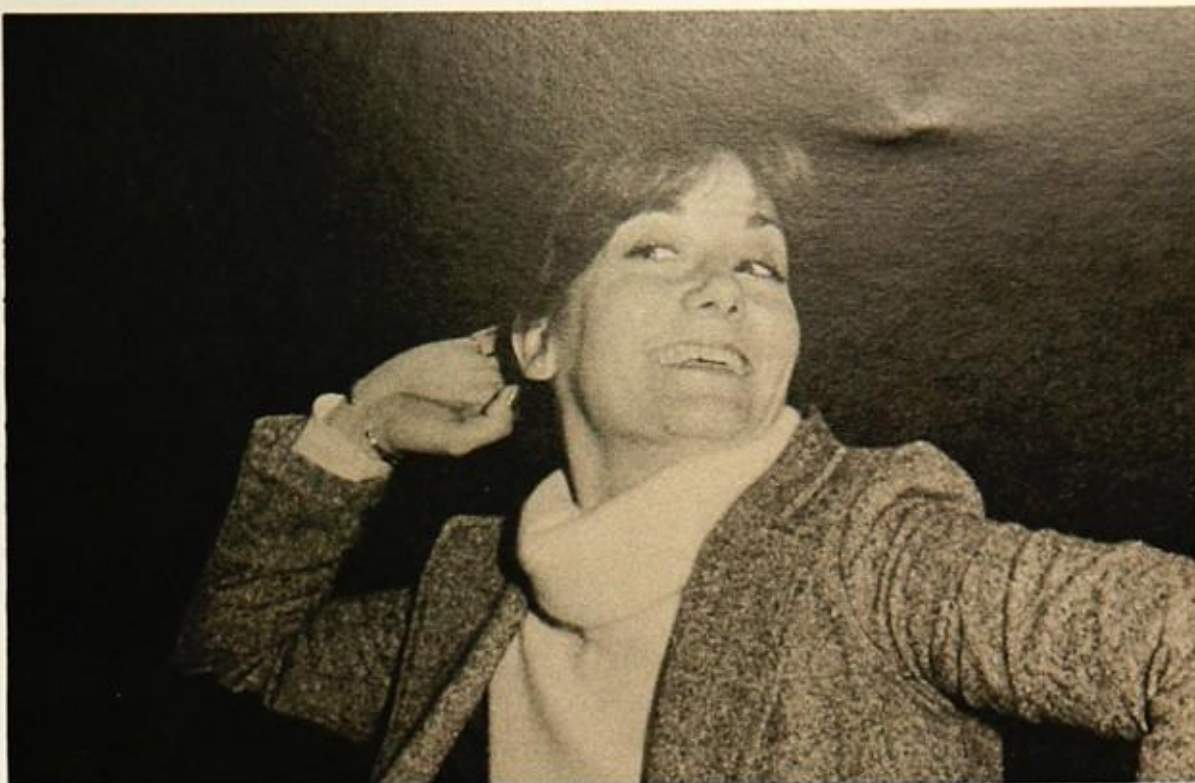

sought dreams

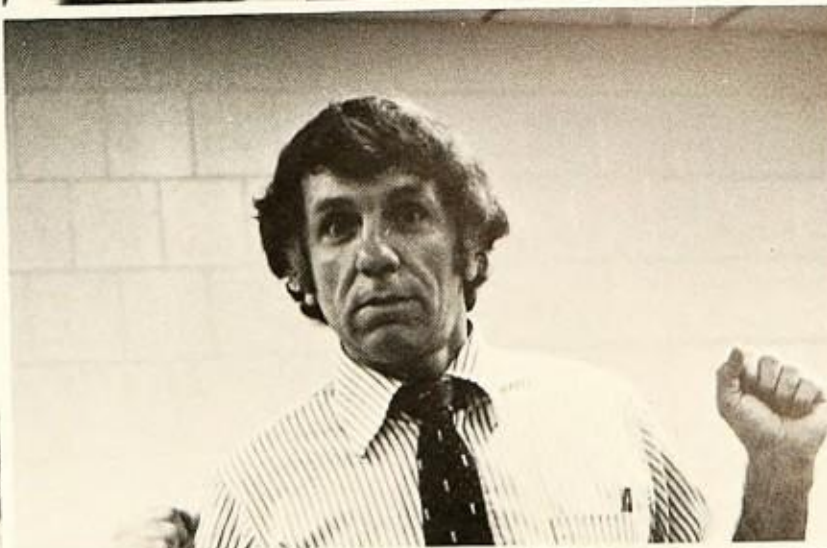

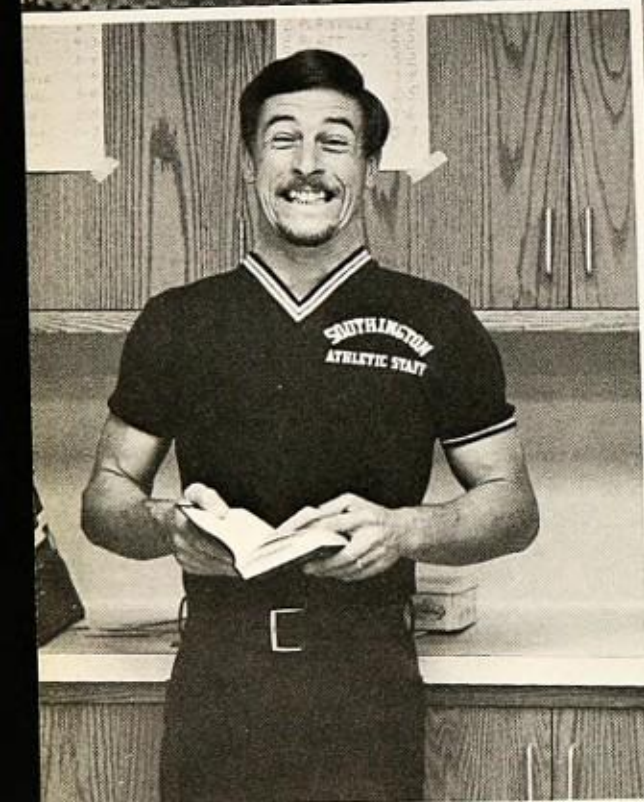

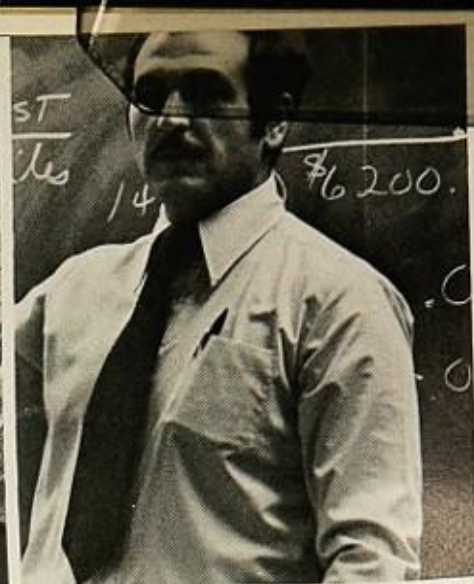

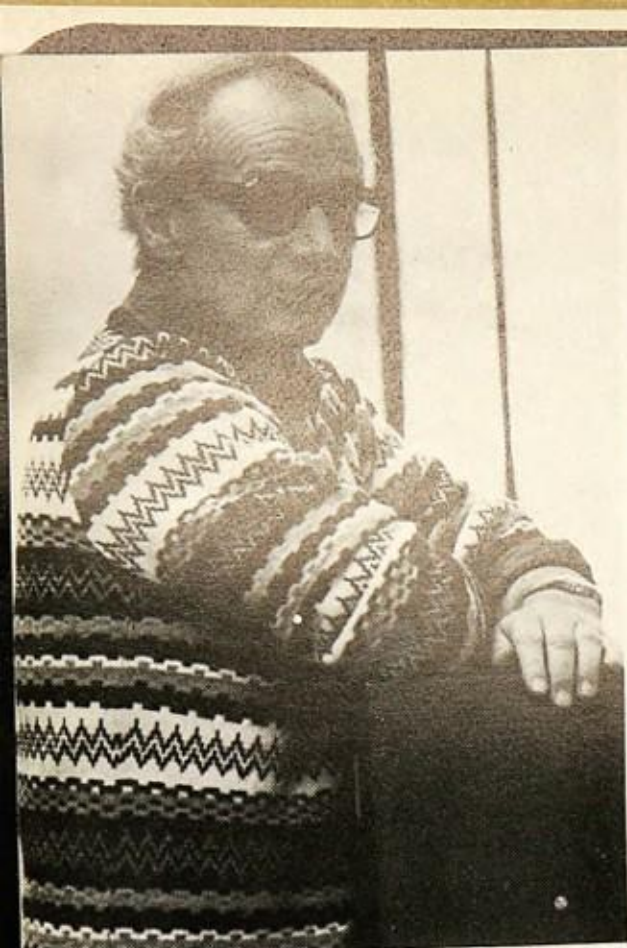

We will not lose sight of our successes and our achievements. The view we possess of our hopes and our dreams shall not be blurred for our spirit can not be quieted.

To the people who gave their
direction, understanding and wis-
dom — we thank you for your
dedication.

I sincerely hope that all of you have enjoyed the past three years as much as I have. They have been three years of enjoyment, learning, and hard work.

Now it is time to look ahead to our futures, putting together all the pieces that will eventually make up our individual lives, lives that will also be filled with enjoyment, learning, and hard work.

And as each of us strives toward unique independence, we must never forget that our journey into adulthood began here, here at Southington High School.

Good luck and best wishes to all the members of the Class of 1980.

Sincerely,

Larry Bouchard

Dear Seniors,

In three short years at Southington High School we became one. We faced problems and we solved them. Yet we also tasted the sweetness of success. We grew as a whole and as individuals. Even more importantly, we made lasting friendships. These friendships will endure because we have shared so much. We have learned, laughed, and grown together.

As these years end, we must look forward to the new beginnings that each of us must face. Hopefully the experiences we have shared will help us to reach for our dreams and meet the challenges which are brought upon us. May each of you meet those challenges with determination and persistence.

Even though we will be going in different directions, may the memories of the friendship that we shared go with you! That friendship was what made the Class of 1980 special!

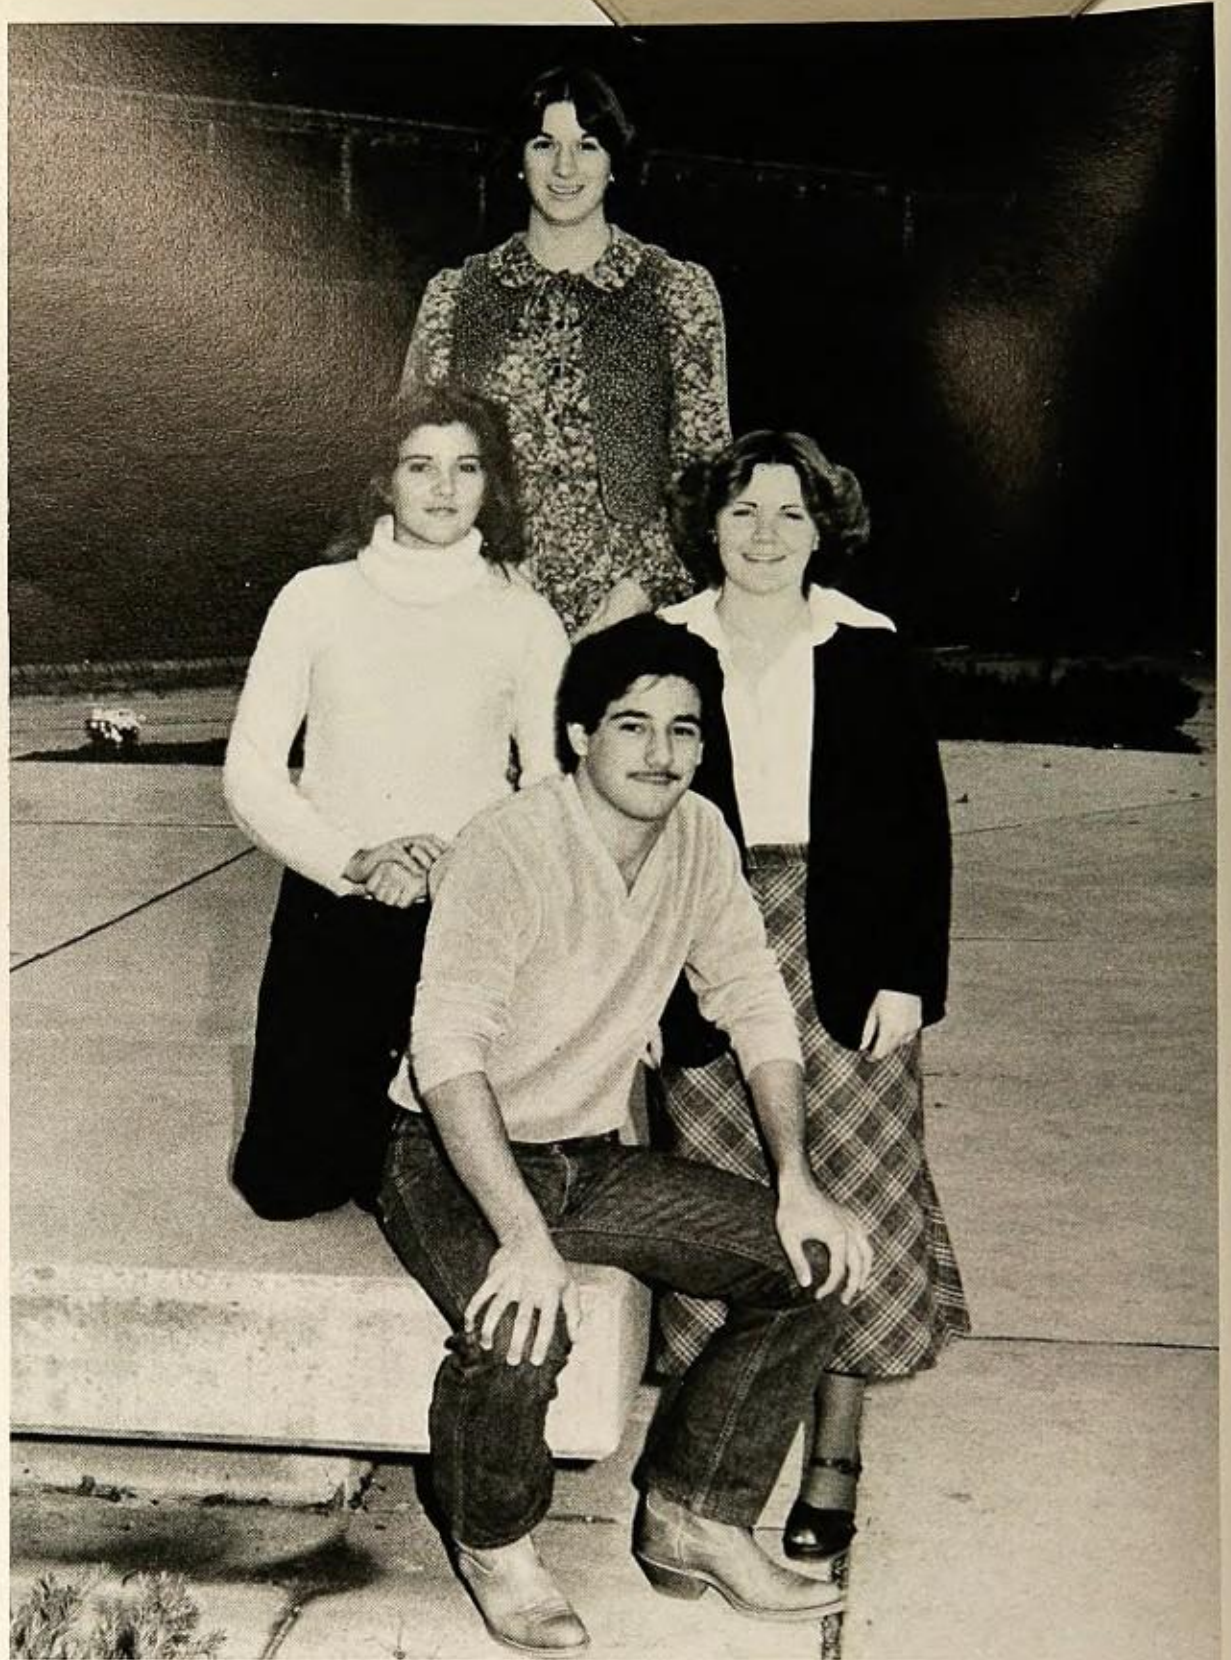

Good Luck.

Sincerely,

Sue O'Hala

In three short years we have become very close to you. We have shared your triumphs and your heartbreaks, we have pulled together and planned numerous activities, and decorated for many dances. We remember especially the Sophomore year with a job well done on the Magazine Drive; and who will ever forget the Talent Show and the Junior Prom?

Now as your Senior year comes to a close we are looking forward to the Play and the Prom, Class Day, Class Night, and of course Graduation. To all of you we wish happiness, success in life and peace of mind.

Sincerely,

On Friday, March 9, 1979, the Class of 1980 presented its Junior Show. It was over two hours filled with serious and humorous acts. Together we entertained.

I forgot the words.

A Little Bit O' That

The Long and Winding Road

November 18, 1978

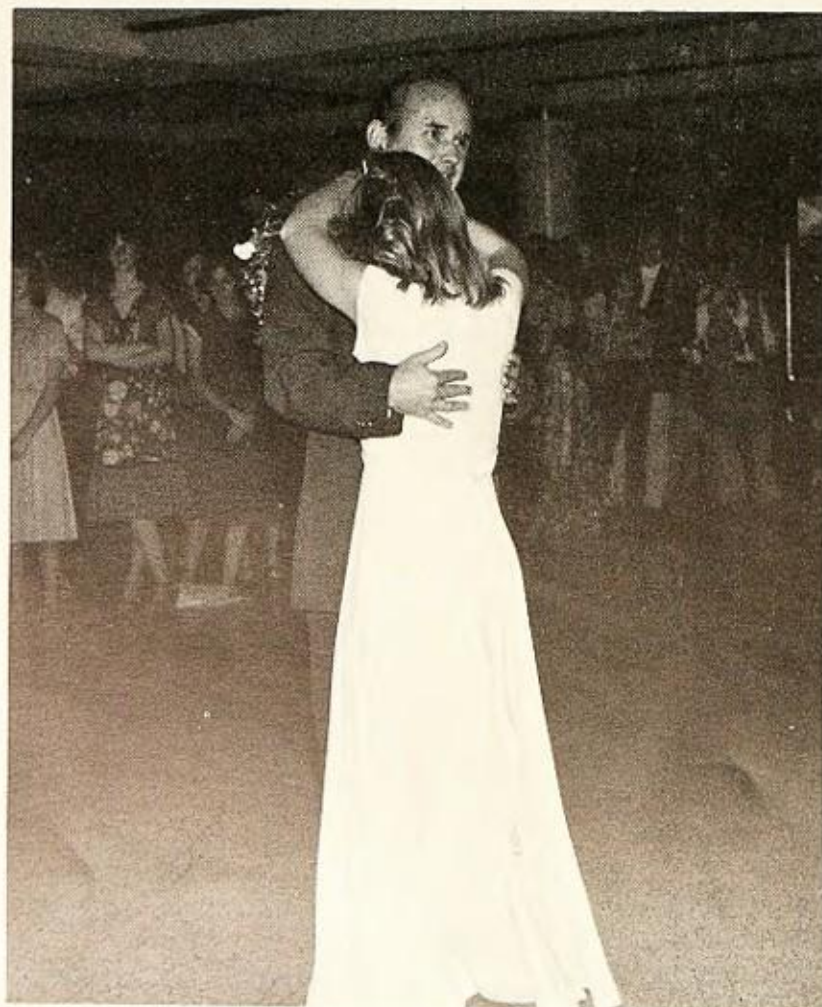

It seems for one November evening Love, Laughter, and Joy stood beside the Class of 1980. Each gave of itself so the evening of November 18, 1978, the Junior Prom, would fulfill all of the expectations that would be asked of it. Though the swan and the evening have melted away their memory lingers.

The night of October 12, 1979 proved to be a memorable occasion for our Homecoming Queen Patty Cunningham and her court attendants Kim Marotto, Kelly Moreshead, Laura Fontana, and Heidi Moran. All who attended enjoyed an evening of music and dancing.

The Holiday Season was welcomed with high spirits by the students of Southington High. The celebration was highlighted by a Christmas Assembly featuring Sophomore, Junior and Senior Skits, and a special appearance by Saint Nick himself.

I would not exchange the laughter of my heart for the fortunes of the multitudes; nor would I be content with converting my tears, invited by my agonizing self, into calm. It is my fervent hope that my whole life on this earth will ever be Tears and Laughter. Tears that purify my heart and reveal to me the secret of life and its mystery, Laughter that brings me closer to my fellow men; Tears with which I join the broken-hearted, Laughter that symbolizes joy over my very existence.

Kahlil Gibran

It's Lunch Time !!

On today's menu ...

"Did someone say foodfight?"

"Just like Grandma used to make."

"Fork, check; straw, check."

"I just lost my appetite."

"Anyone got any Easy-Off?"

Must be a sophomore.

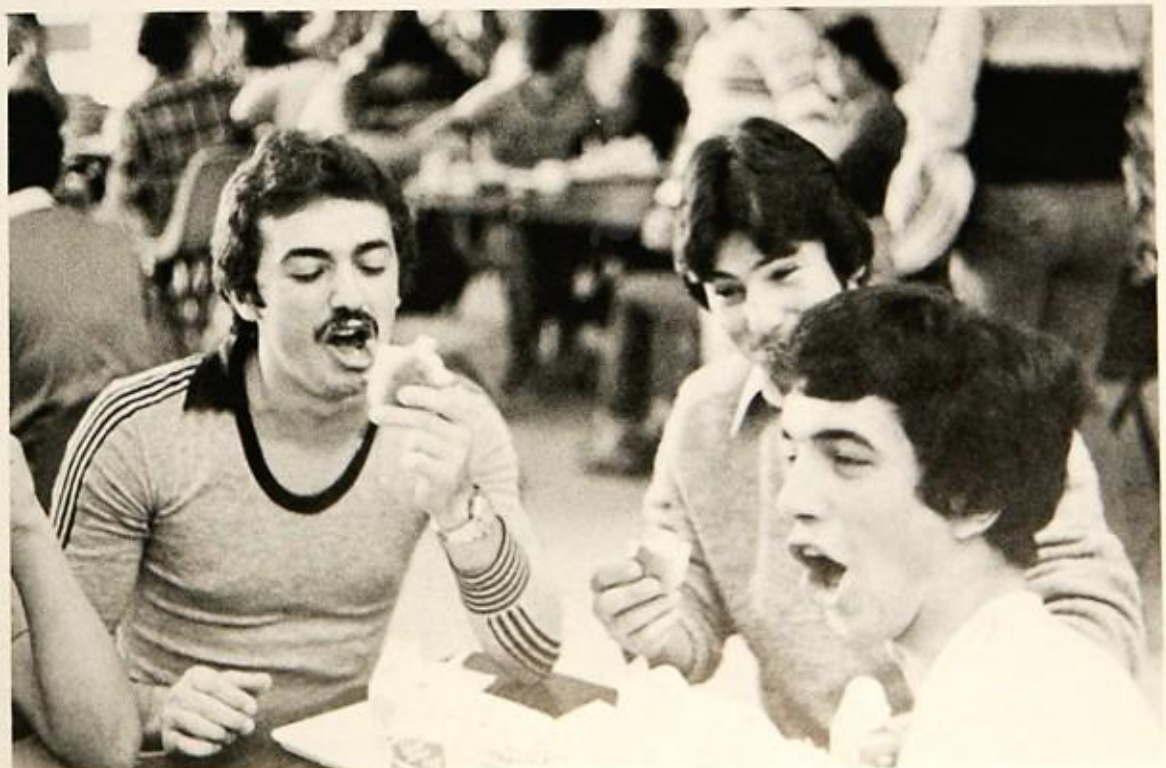

"It moved!"

Feed Your Neighbor Day

"Open wide!"

"They forgot to remove the fur!"

SENIORS ARE WILD AND CRAZY

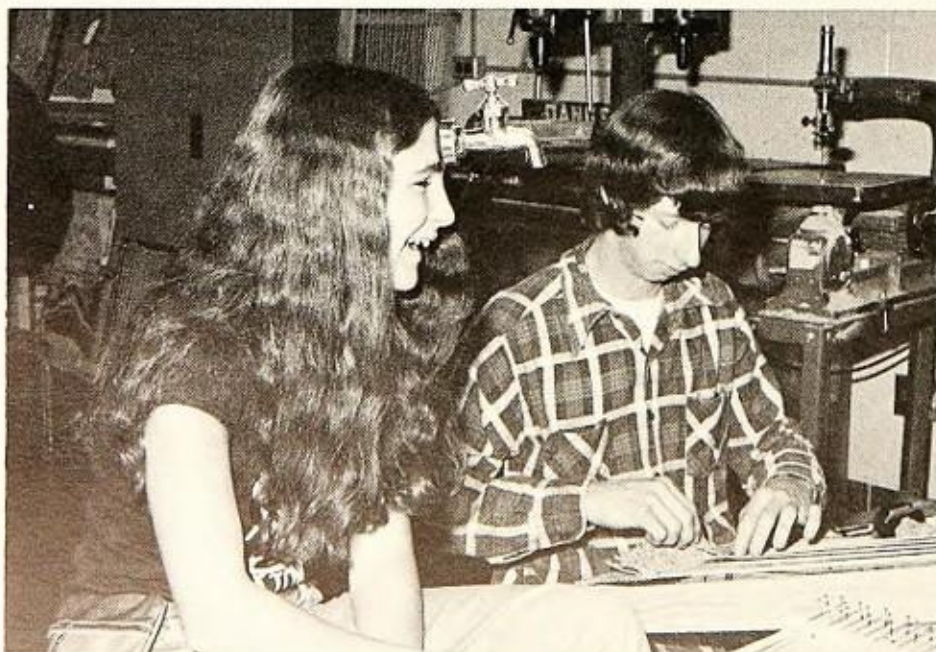

"Anyone have a comb?"

"It's not polite to point!"

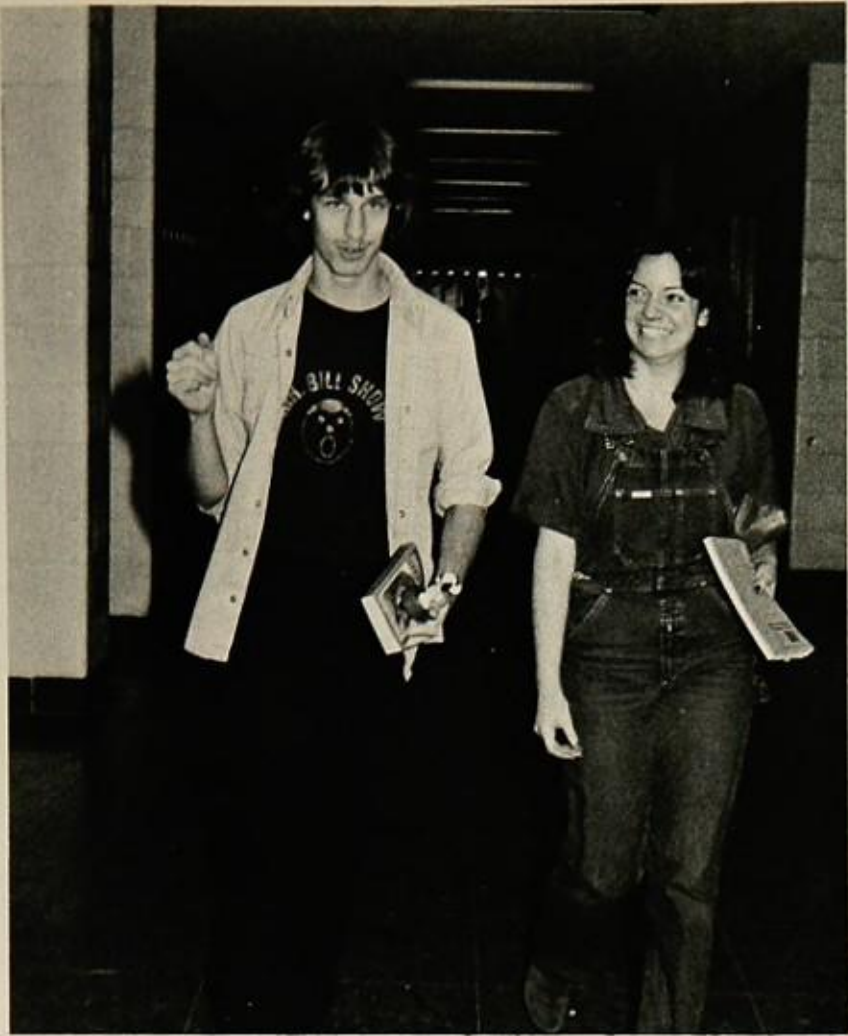

"Check out the one in the blue jeans!"

"Get me a plumber!"

"Let go of my leg!"

"A-one and a-two ... "

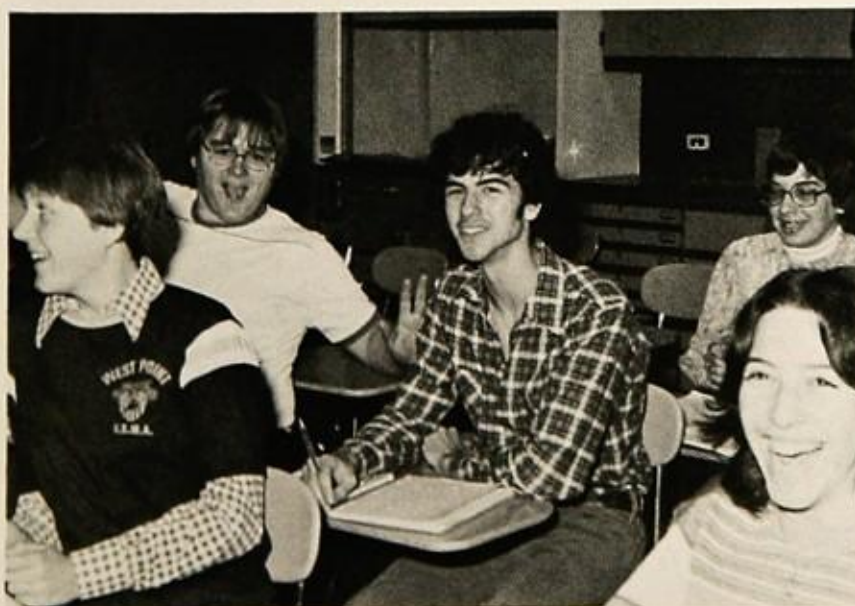

"I feel sick."

"And if elected President ... "

"My antlers hurt."

If you want a caption think of it!

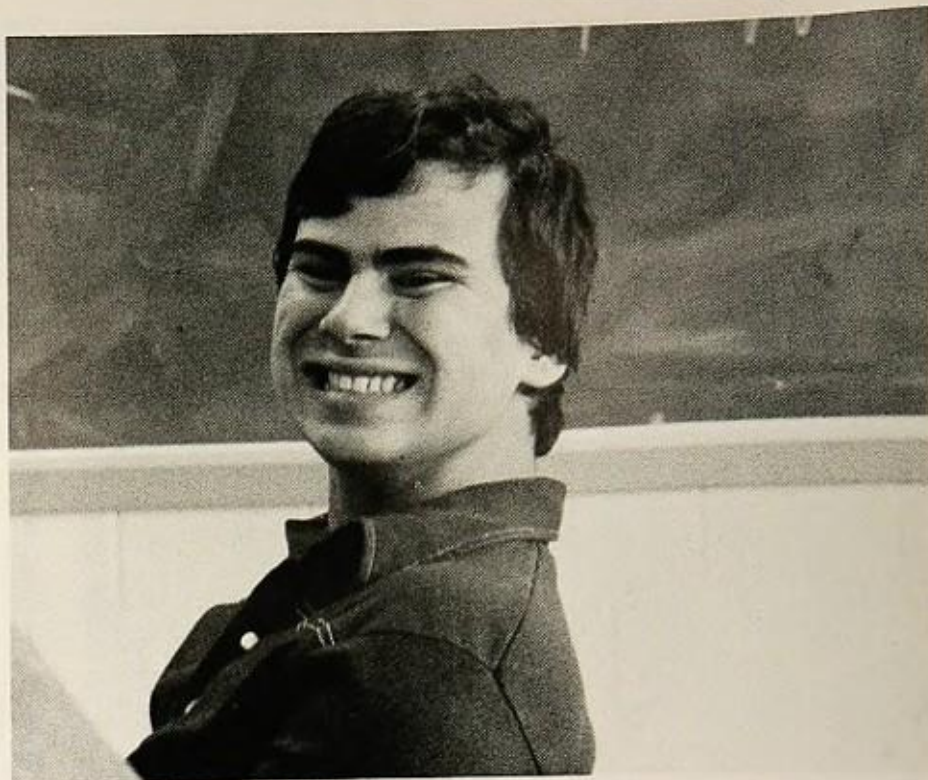

"Hi Mom!"

SENIORS ARE LOVEABLE

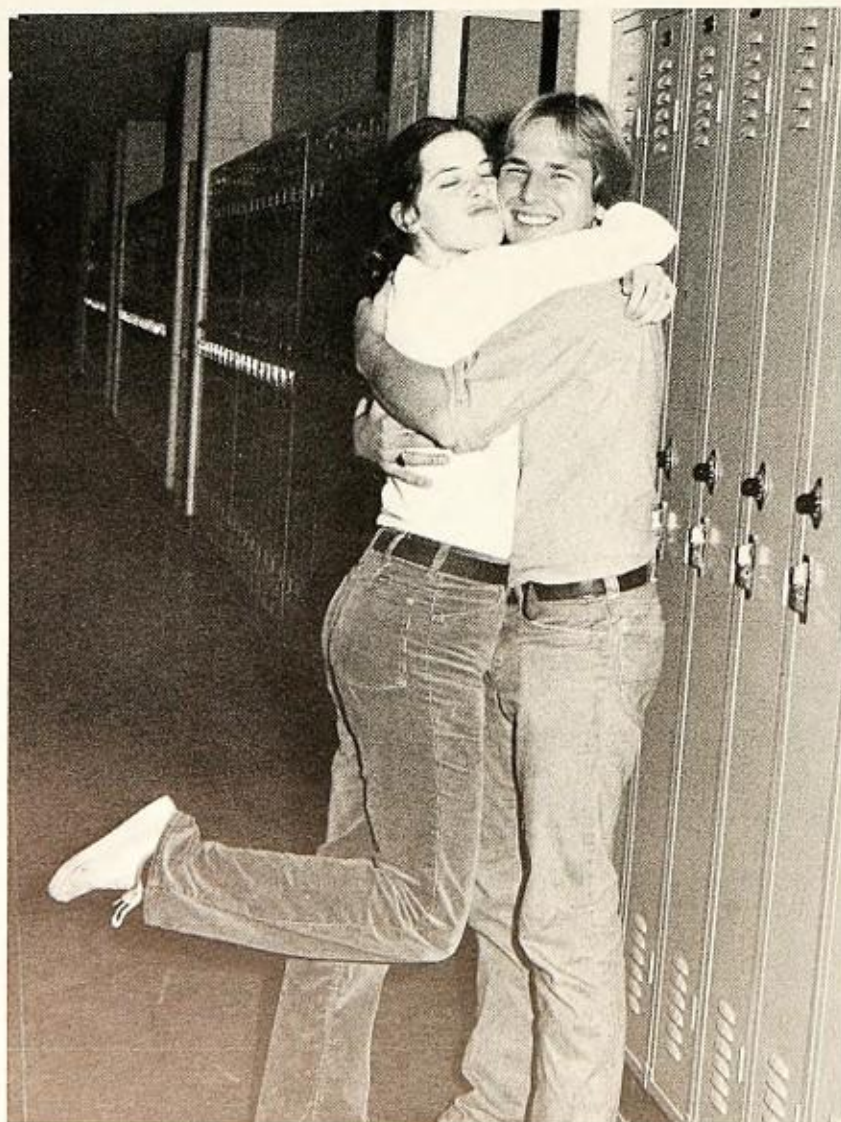

Send in the clowns.

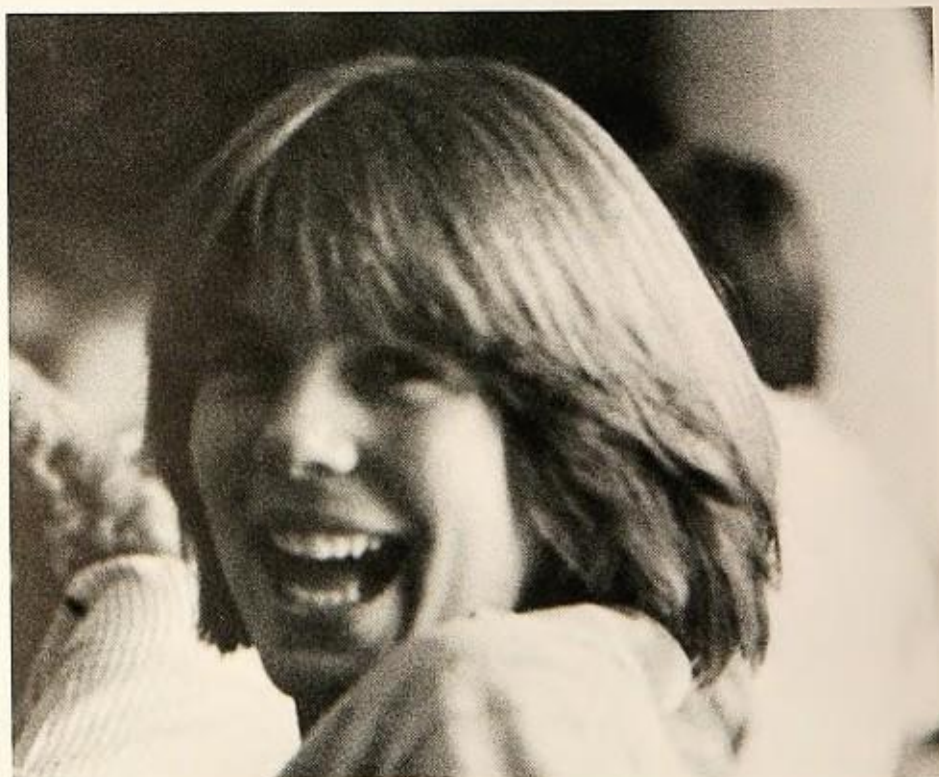

"Look Ma, no cavities!"

"Aw, shucks!"

What?! Affection in the hallways?

A face only a mother could love

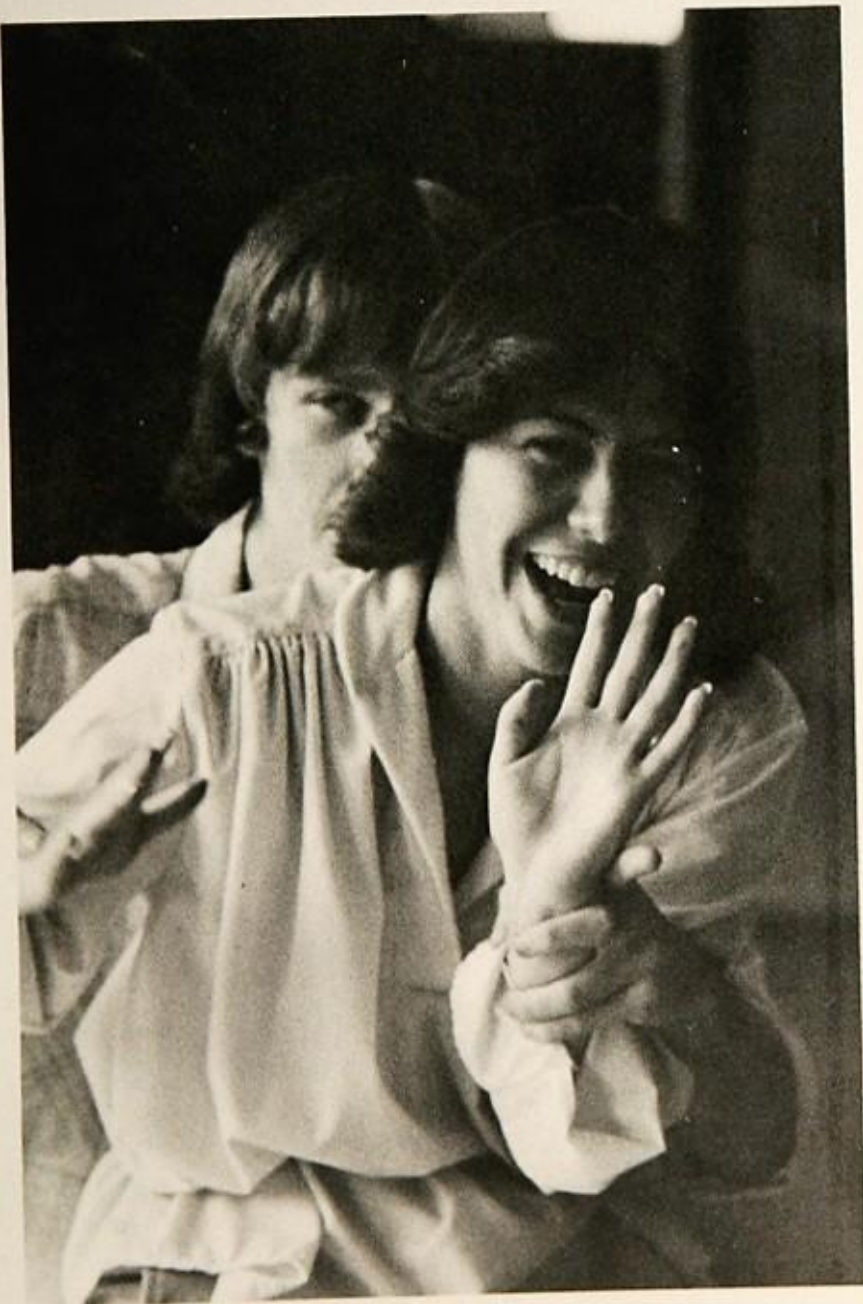

Would you buy a used car from this person?

Would you believe . . . early completion?

"Remember that the next time you open your mouth."

"It's Howdy-Doody Time!"

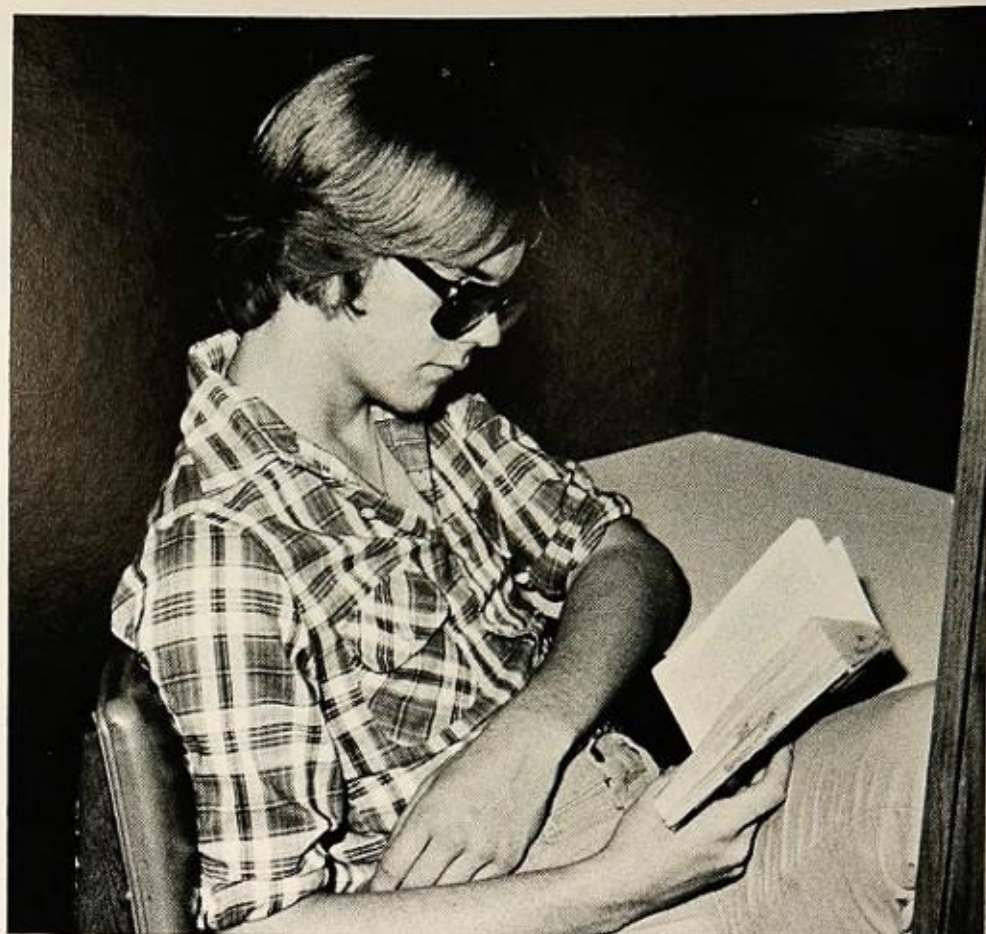

"I've been shot!"

SENIORS ARE HARDWORKING

"Someone please untie my fingers!"

Open your eyes, you'll read better that way!

Humpty-Dumpty is interesting.

"Oh, no . . . my finger is stuck in my ear!"

"What do you want? I only took it for the credit."

Well, some seniors are hard working.

SENIORS ARE

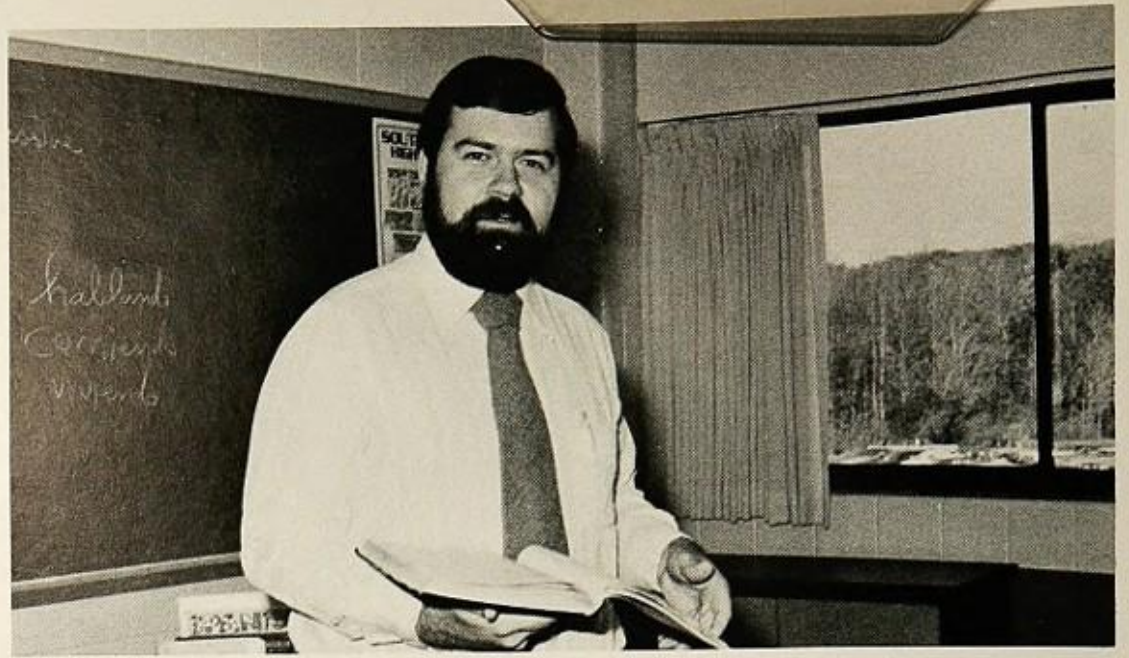

TOGETHER

ADVISORS ARE ACKNOWLEDGED

"Cookies from home or the dirty laundry?"

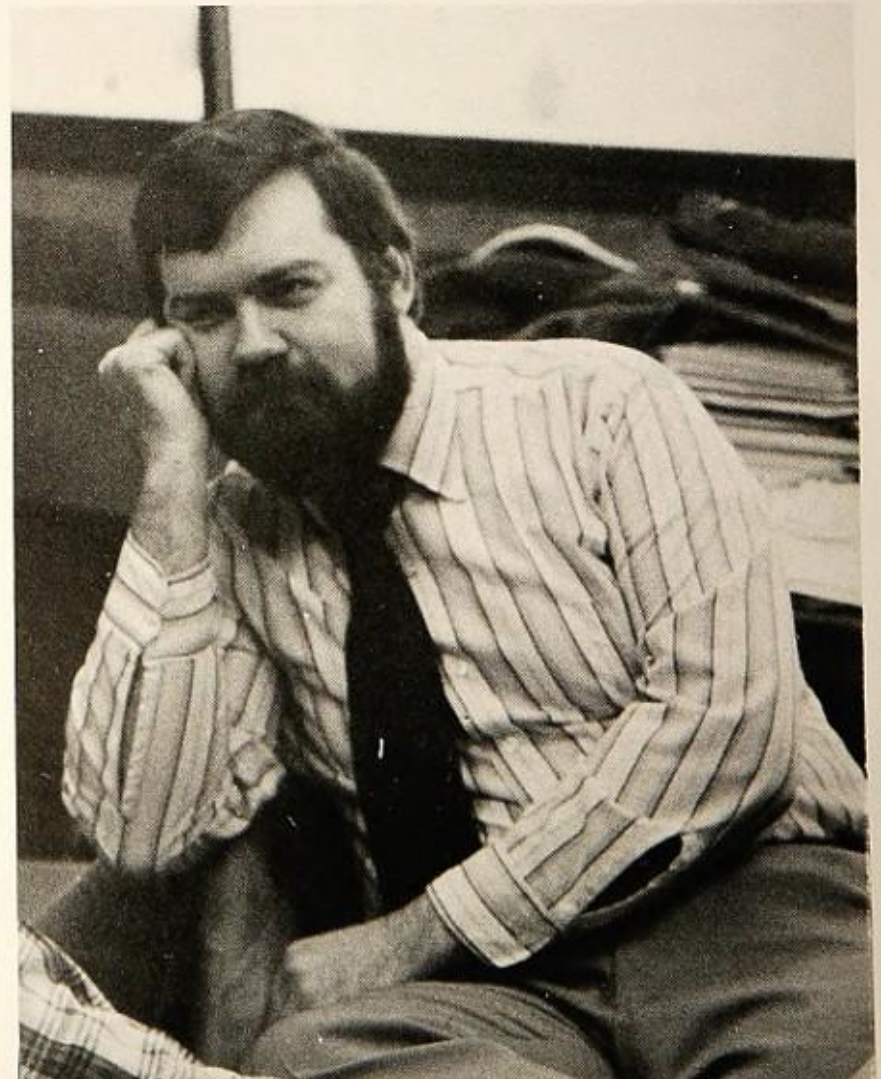

"English? I don't read English!"

"I always smile like this when there's a photographer around."

"Caught again!"

"I guess you had to be there."

"Ah! The new phone books are here"

"You're not my best friend any more!"

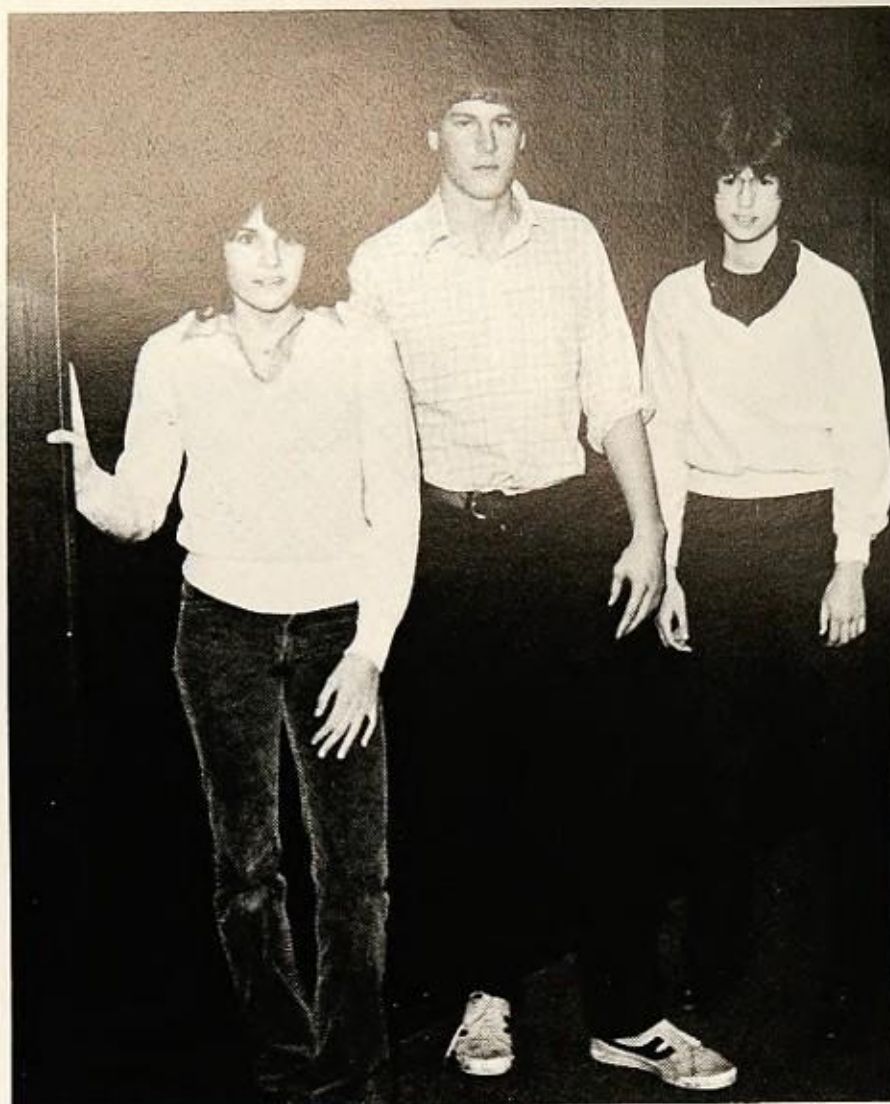

"Do that one more time"

"Personally, I don't see the likeness."

"What's the secret password, again?"

Ahhh, summertime. The surf's up! The sun's hot! What a beautiful time of year! No wonder it is the favorite season of the Class of 1980. To the right is a picture of a typical SHS student enjoying the fun and sun at the beach.

THE ADVENTURES of SPIDERSTUDENT

While attending a demonstration in radiology, Matt Quinn was bitten by a spider which had accidentally been exposed to radiation. Little did he know that bite was about to change his life.

The next day at 9:17 A.M., Matt Quinn began to gain the spider's powers and had, in effect, become a human spider — a spider student.

Soon he began to possess the instincts of a spider. He became confused with his work — he couldn't concentrate.

Alarmed by the sound of the camera, he could no longer hold back his instincts. He swiftly moved in for the attack.

Then, just in the nick of time, spider student stopped in his tracks.

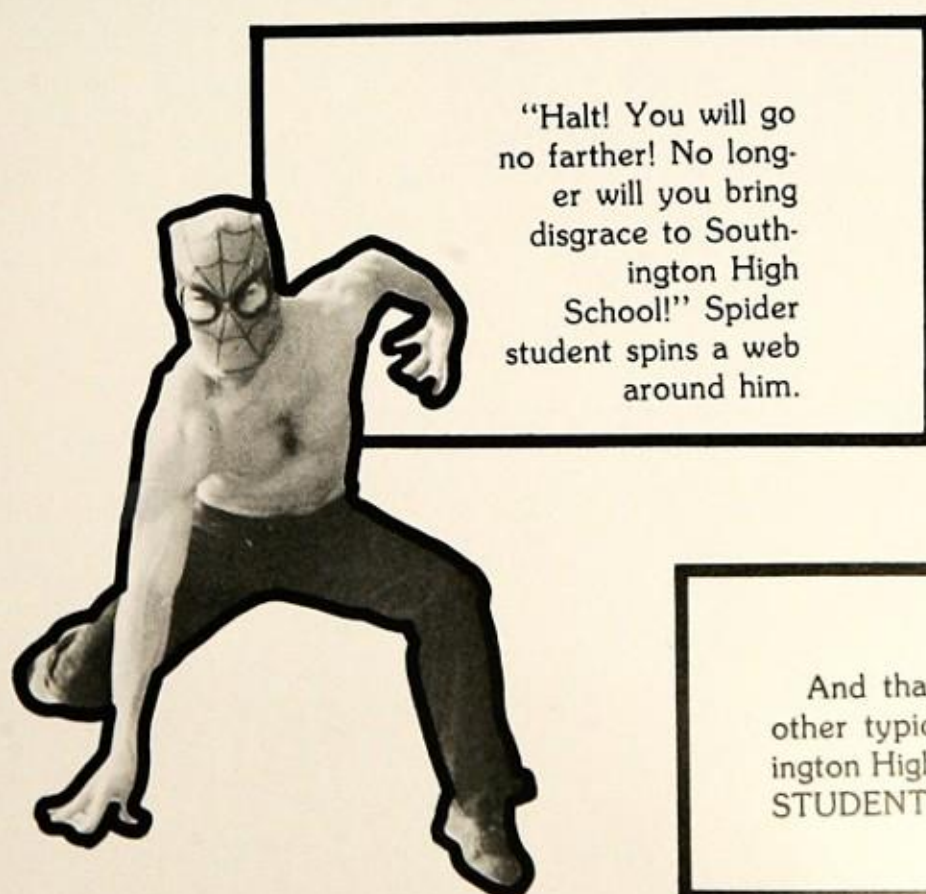

"What am I doing?" he thought, "I shouldn't be fighting him."

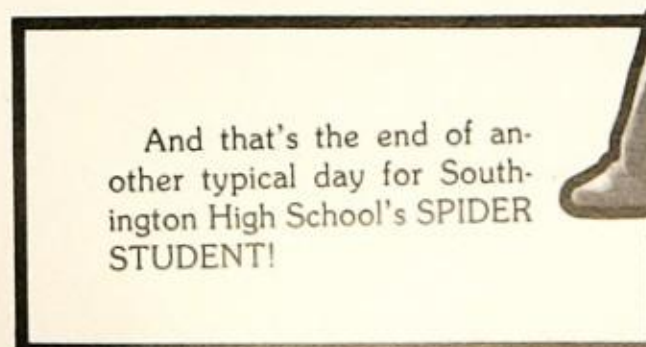

"I should be fighting crime. I should be fighting the Blue Devils ... and now!"

"Ah, here comes one!"

"Halt! You will go no farther! No longer will you bring disgrace to South-ington High School!" Spider student spins a web around him.

And that's the end of another typical day for South-ington High School's SPIDER STUDENT!

Sounds from a great band, beautiful decorations and a fantastic crowd set the scene for this years Junior Prom "Precious and Few" everything was "the best." Just one example of what can be expected for the next two years, this class of '81 will be second to none!

"The Class of 1982 is well on their way."

The first Sophomore Class Activity was the Magazine drive. The Class of 82 is the first Class in the history of Southington High School to ever reach its goal which was set at \$25,000, a figure thought to be totally out of reach by all of the Magazine Drive Organizers. Through hard work and determination, the Super Sophomore Class pulled together and exceeded the goal on the last day of the drive. They should be very proud as a Class and the next three years should be really fantastic.

Great Scott! What an entrance!

Strike up the band!

Where's the turkey?

You can't have it!

The long awaited revenge on the Blue Devils began with a parade consisting of the band, majorettes, cheerleaders, senior float and a super group of enthusiastic Blue Knight Fans! Our Knights played a tough game, though the game was called due to over boisterous fans, and were victorious! But, all in all, this Thanksgiving Day Game proved that Southington High hasn't lost our Blue Knight Spirit!!!

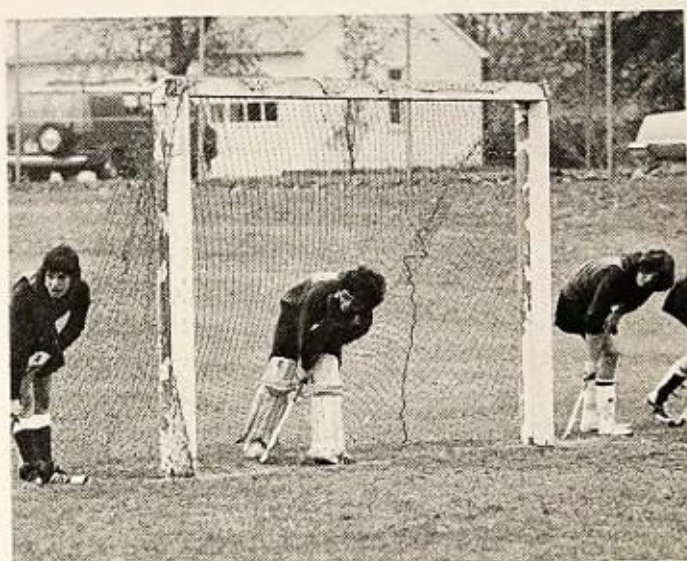

What goes up must come down, I Hope!

Did I hit it?

This year has been an experience we will always remember. We shared many enthusiastic days at camp. We started off strangers and we have grown to appreciate and love one another. We will always remember laughing, crying, and sharing. We will never forget the squad of 1980.

So girls, always remember to G.B., and sparke and shine. Love you,

In Memory of:

Brian Johnson

What Death takes away
No man can restore;
What Heaven has blessed
No man can punish;
What Love has joined
No man can divide;
What Eternity has willed
No man can alter.

The memory of Brian
cannot be forgotten

Time is

Too slow for those who wait

Too swift for those who dare

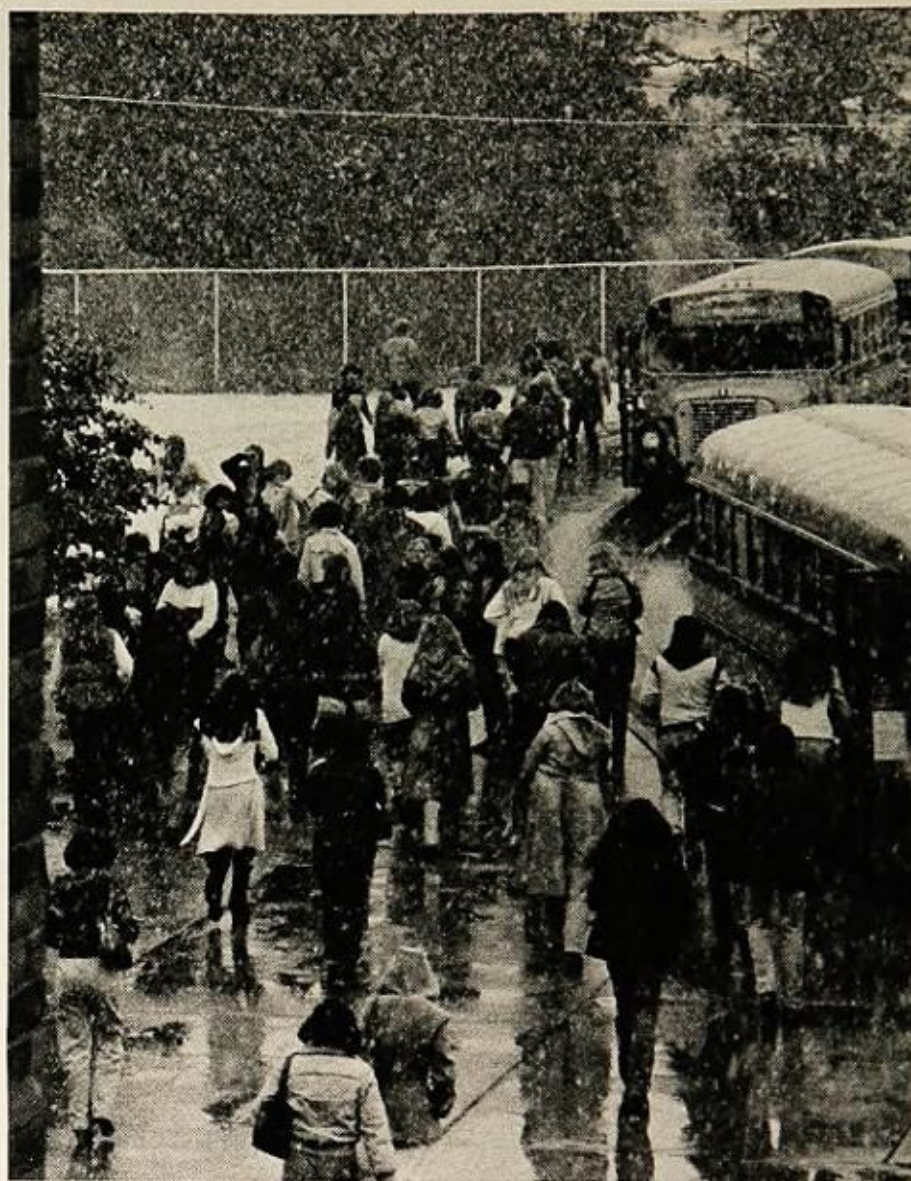

Too long for those who grieve

Too short for those who rejoice

But for those who love

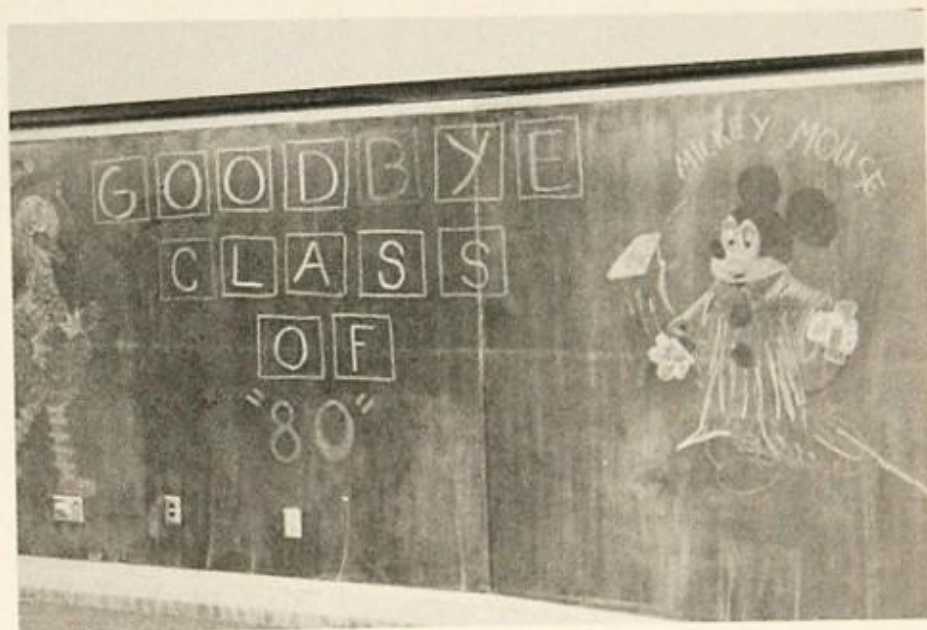

Time is eternity

Senior year was slow in starting. Teachers walked the lines while students expressed mixed emotions of empathy and anxiety to return to classes.

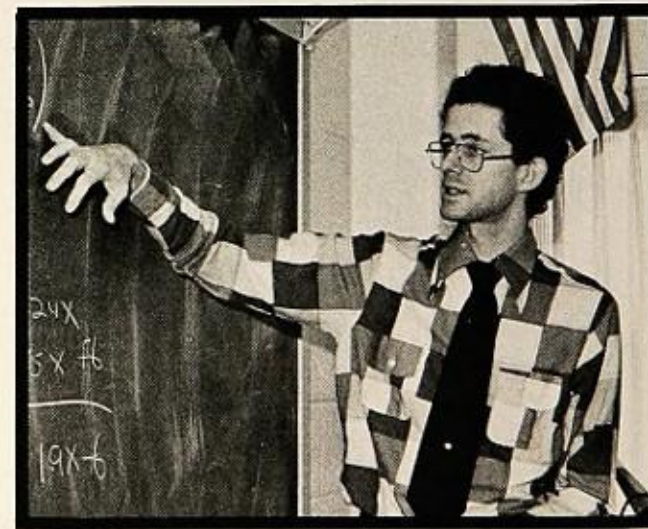

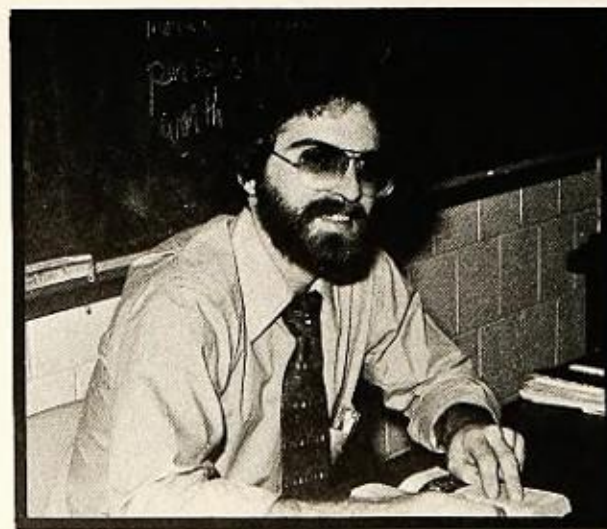

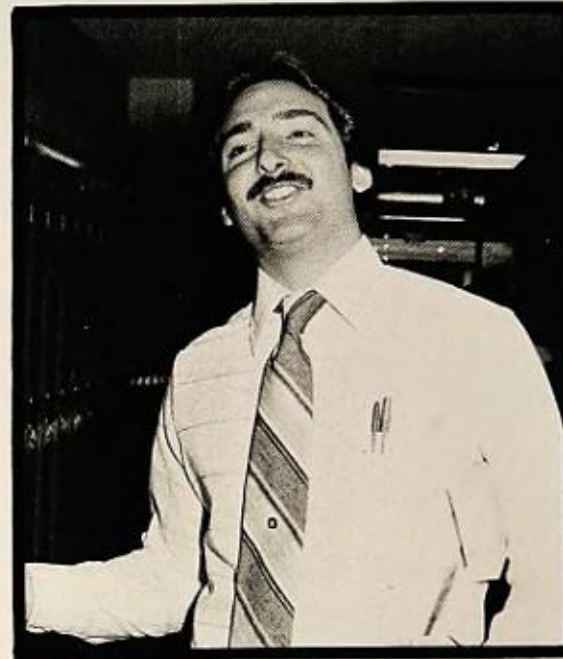

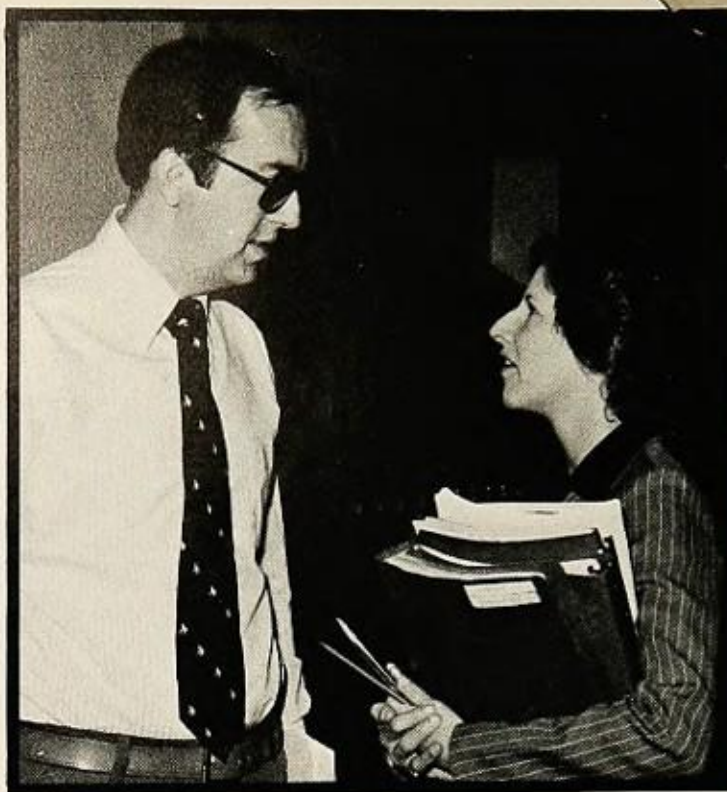

Swiftly the winter came with our first snow fall in October — however we long awaited the continuation of snow and winter festivities which never appeared to come.

Although the Senior year seemed long in coming, it passed too quickly for those who were actively involved. With pep rallies, plays, and clubs there was much to keep us going.

But for those who remember these days, the times will be forever.

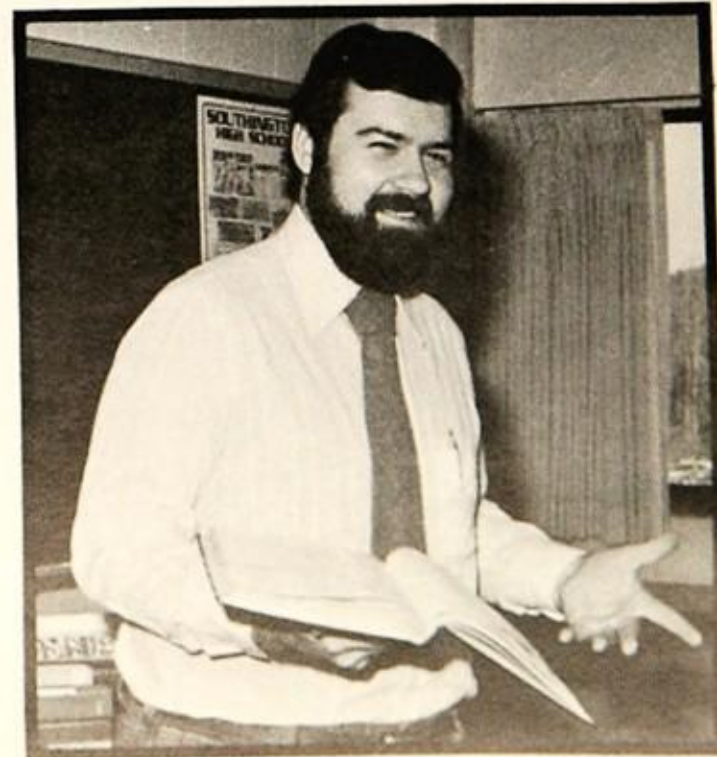

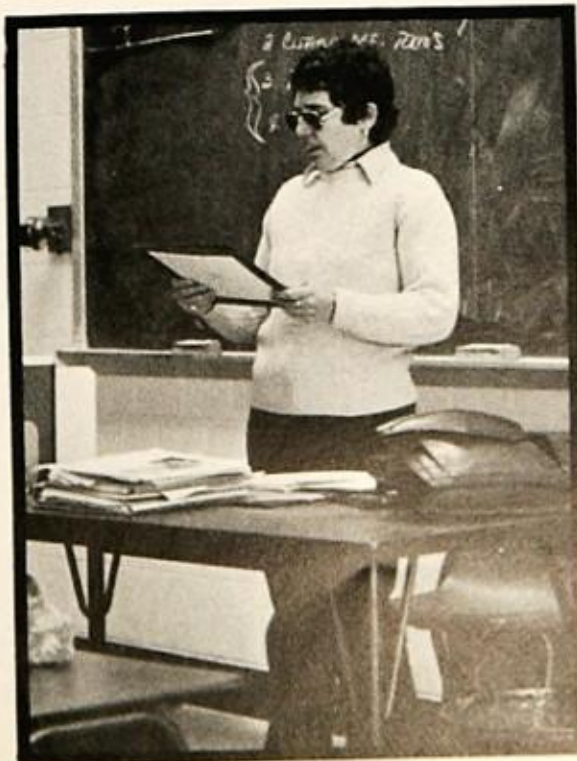

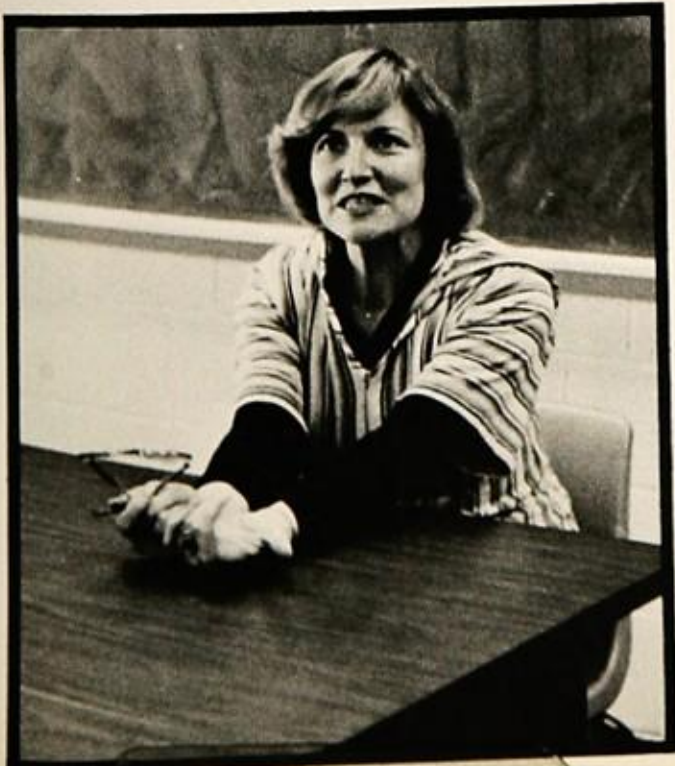

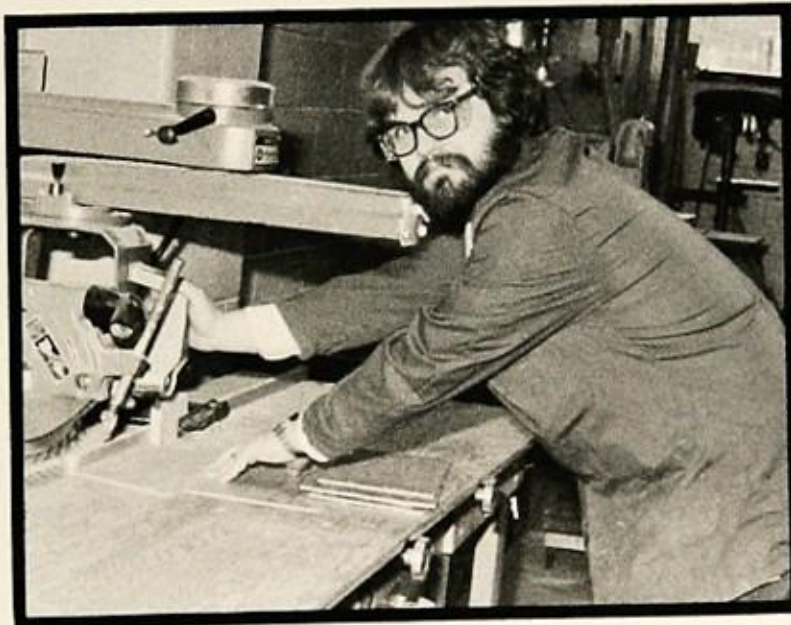

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

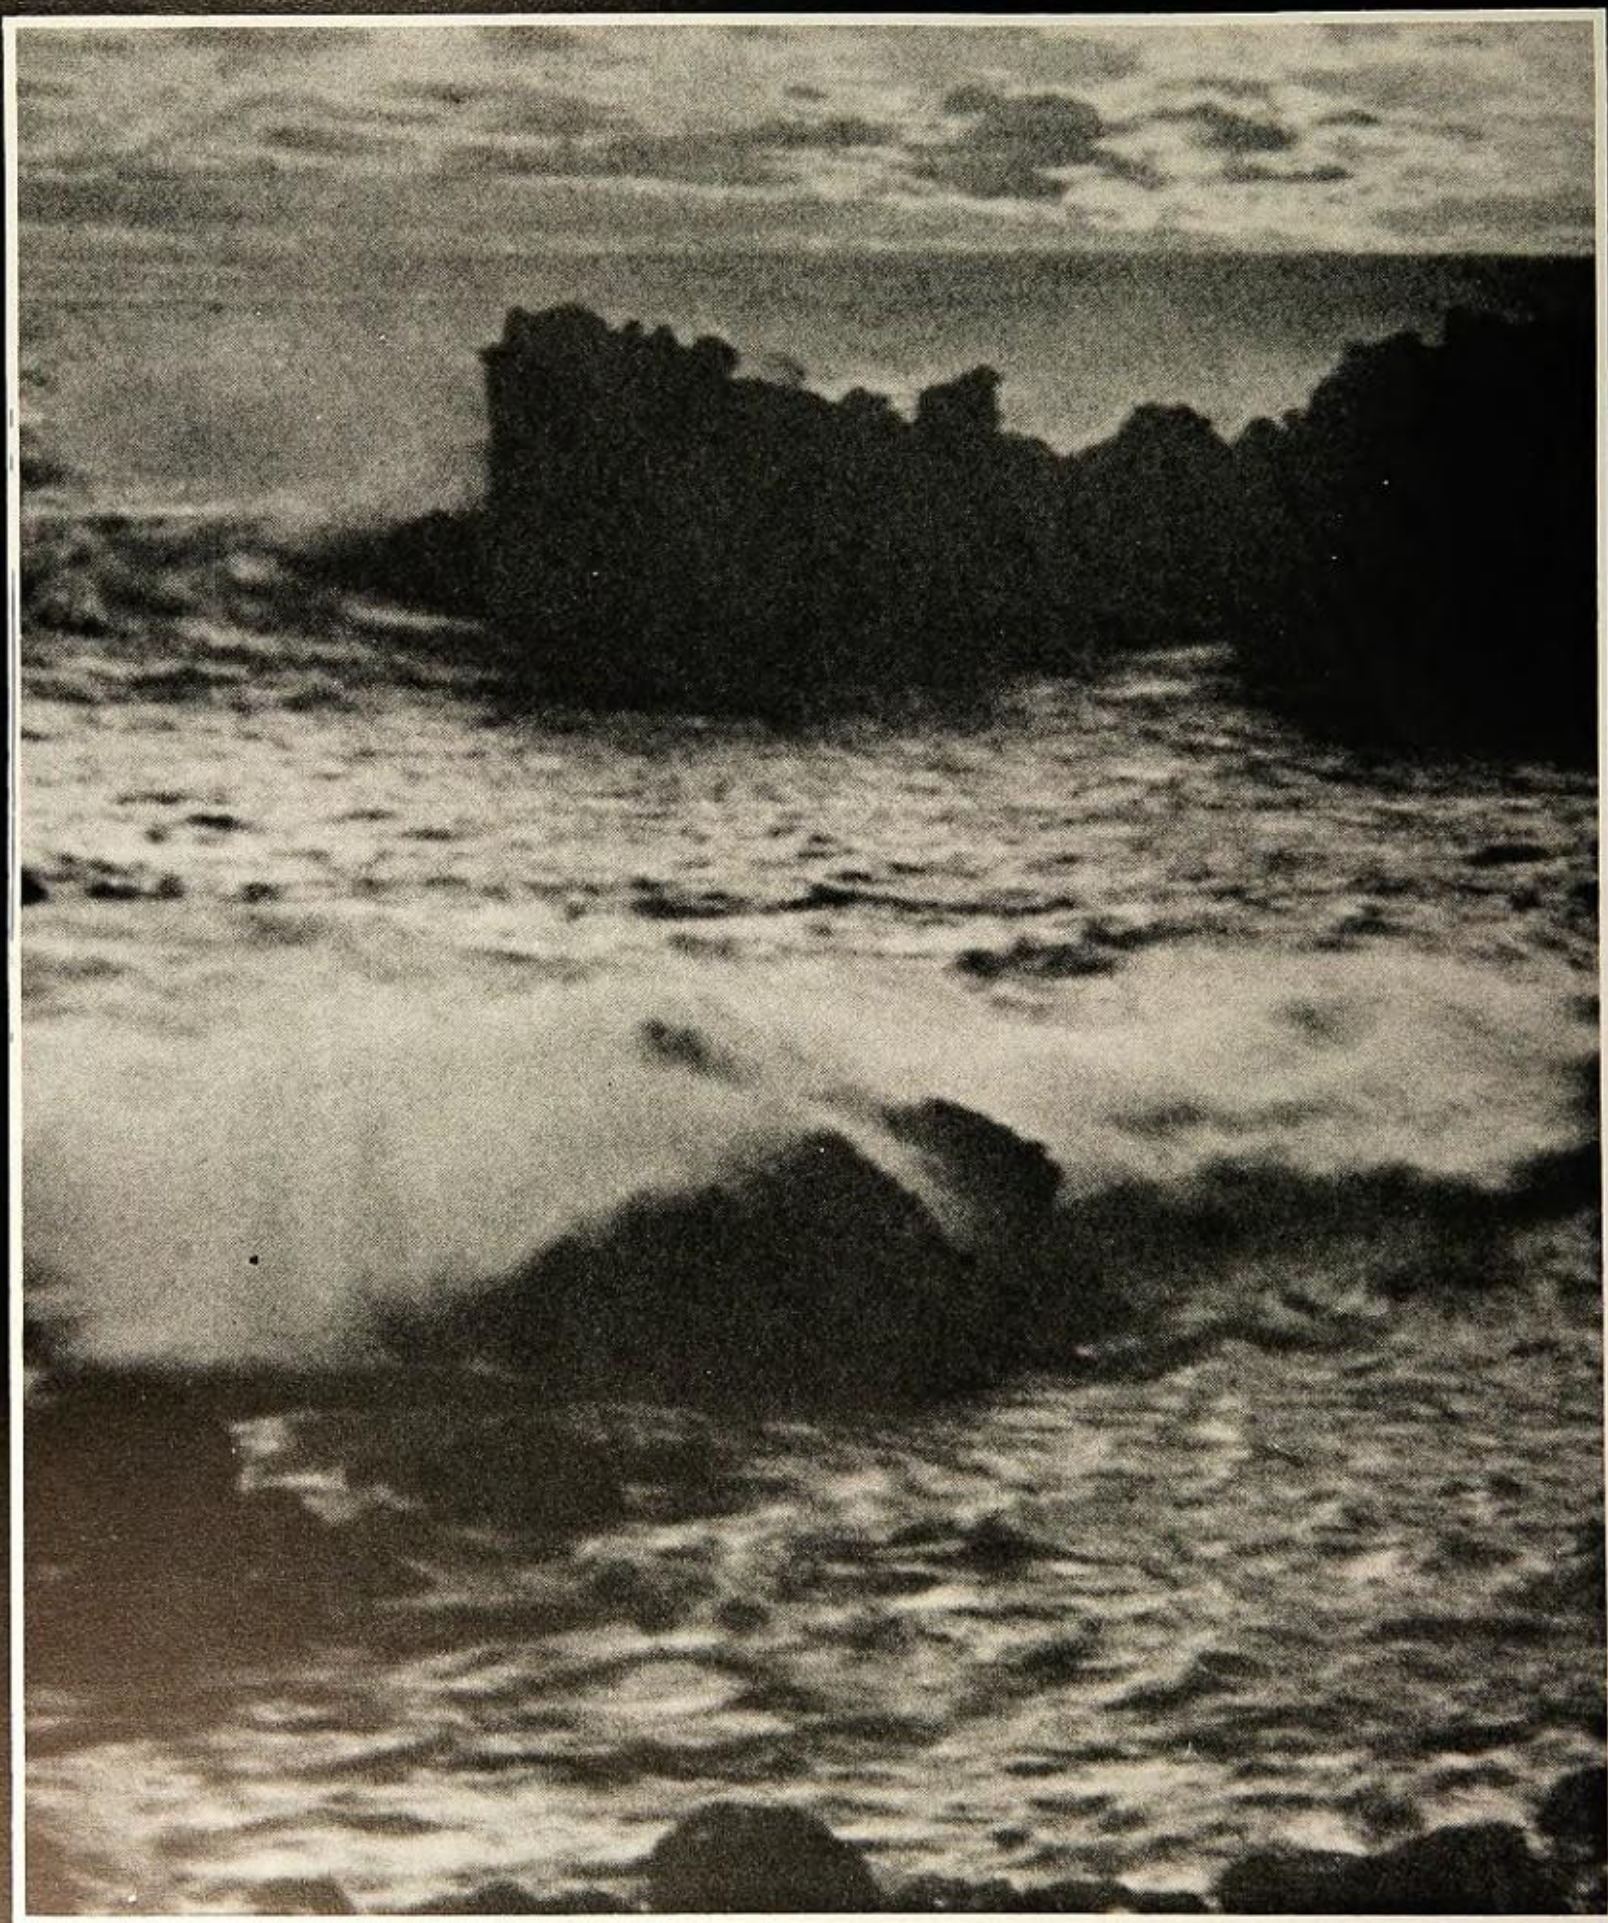

The teacher . . . gives not of his wisdom but rather of his faith and lovingness.

If he is indeed wise he does not bid you the house of his wisdom, but rather leads you to the threshold of your own mind.

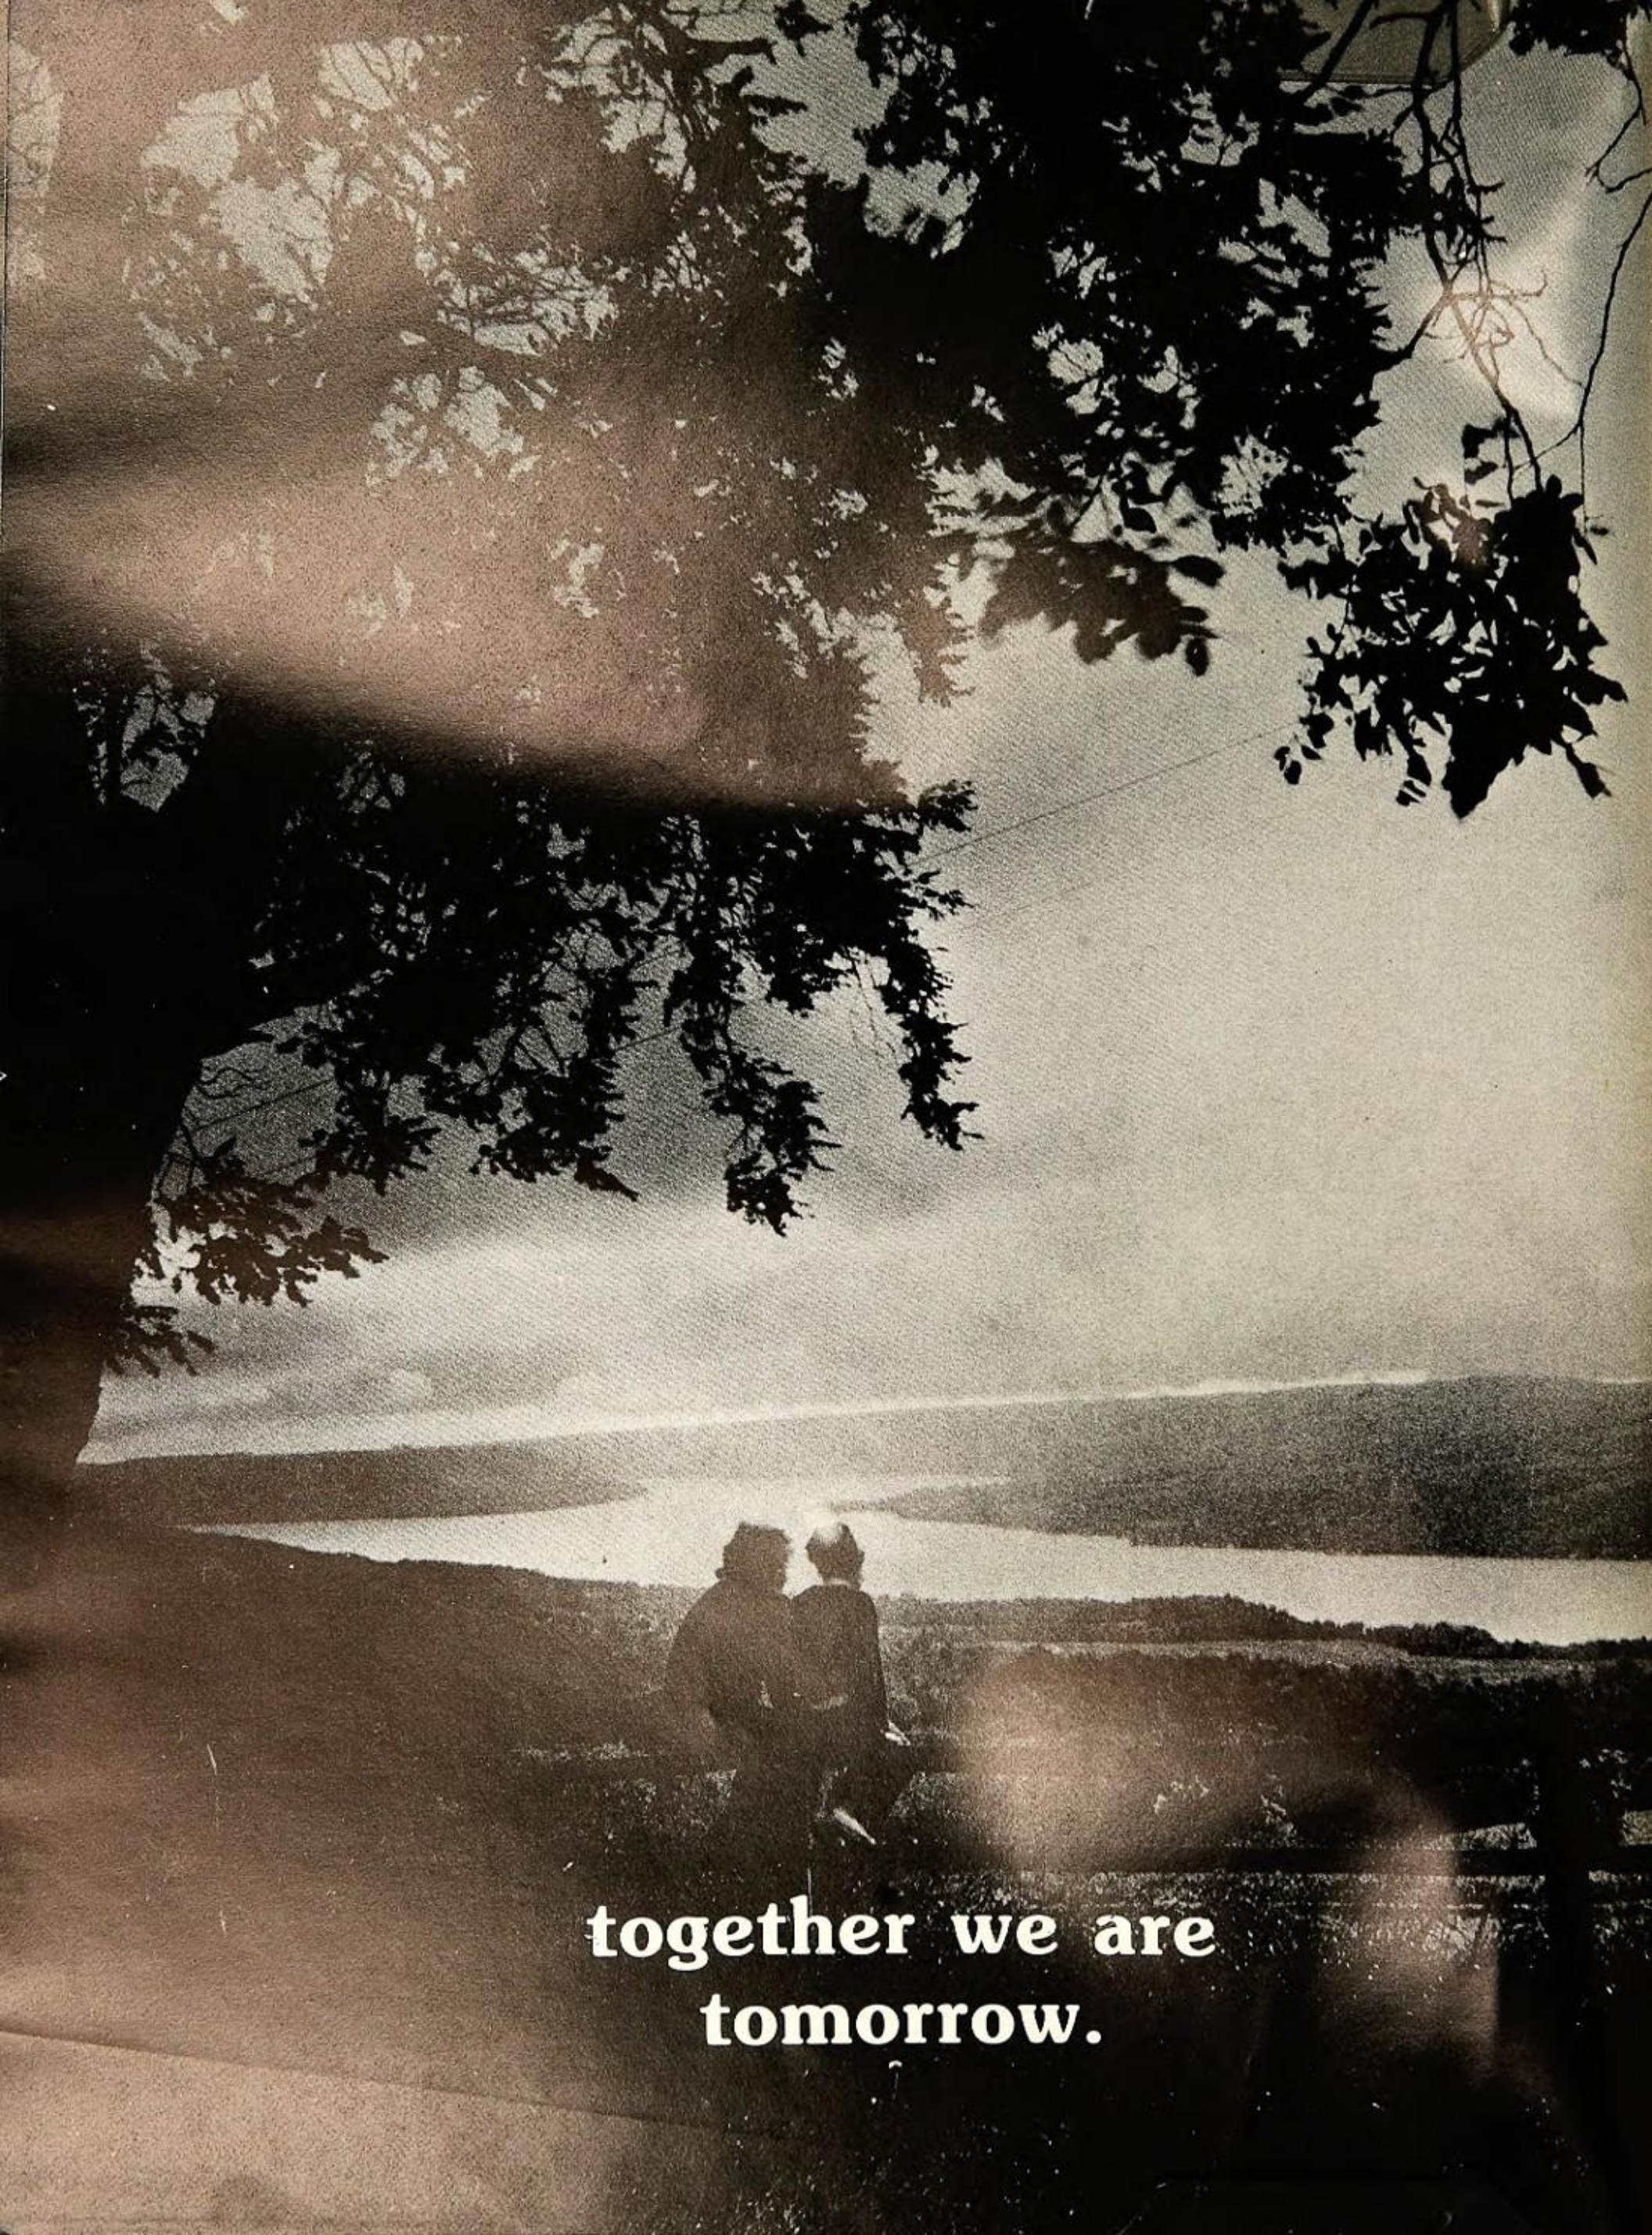

For the vision of one man lends not its wings to another man.

Many thanks to our teachers, friends, advisers for their commitment and dedicated efforts to help us gain a better future.

When you come to the Edge
You think you have come to the End
But you've only come to part of the Beginning.
The Beginning is the start for Everyone
You will never come to the End
But keep on going

**together we are
tomorrow.**
